4. Covenants. Grantor covenants and agrees with Agent as follows:

(a) Grantor shall notify Agent immediately if it knows that any application or registration relating to any Patent, Trademark or Copyright (now or hereafter existing) material to the operation of Grantor's business may become abandoned or dedicated, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court) regarding Grantor's ownership of any Patent, Trademark or Copyright material to the operation of its business, its right to register the same, or to keep and maintain the same.

(b) Upon request of Agent, Grantor shall execute and deliver a supplement hereto (in form and substance satisfactory to Agent) to evidence Agent's Lien on new Intellectual Property Collateral.

(c) Grantor shall take all actions necessary to enforce and protect the validity of the Intellectual Property Collateral, including maintaining and pursuing each application, obtaining the relevant registration and maintaining the registration of each of the

(d) In the event that any of the Intellectual Property Collateral material to the operation of Grantor's business is infringed upon, or misappropriated or diluted by a third party, Grantor shall, unless it shall reasonably determine that such Intellectual Property Collateral is not material to the conduct of its business or operations, promptly take such other actions as Grantor shall in its reasonable business judgment deem appropriate under the circumstances to protect such Intellectual Property Collateral.

5. Security Agreement. The security interests granted pursuant to this Intellectual Property Security Agreement are granted in conjunction with the security interests granted to Agent pursuant to the Credit Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

6. Reinstatement. Whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties by any other party, or whenever any of the parties desires to give and serve upon any other party any communication with respect to this Intellectual Property Security Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be given in the manner, and deemed received, as provided for in the Credit Agreement.

8. Termination Of This Security Agreement. Subject to Section 6 hereof, this Intellectual Property Security Agreement shall terminate upon Payment In Full of the Obligations and termination of the Credit Agreement.
