ASSIGNMENT OF TRADEMARKS

ASSIGNMENT OF TRADEMARKS (this "Assignment") made as of November 16, 2012 by Stull Technologies, Inc., a corporation organized under the laws of New Jersey ("Assignor"), to MRP New Jersey LLC, a limited liability company organized under the laws of Delaware ("Assignee").

WHEREAS, Assignor, Assignee, Valcour Closures LLC, Gene Stull, Jr., Jameson Stull and Jason Stull are parties to an Asset Purchase Agreement, dated as of the date hereof (as it may be amended, modified or supplemented from time to time, the "Agreement"), providing for the execution and delivery of this Assignment by Assignor to Assignee (capitalized terms used herein without definition shall have the meanings set forth in the Agreement);

WHEREAS, Assignor has adopted, used and is using the trademarks and service marks set forth on Schedule I attached hereto and incorporated by reference herein, which are registered in the United States Patent and Trademark Office (collectively, the "Assigned Marks"); and

WHEREAS, Assignee desires to acquire Assignor's rights, title and interests in and to the Assigned Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

Assignor does hereby convey, assign, transfer and deliver to Assignee, free and clear of Liens, encumbrances and other liabilities and charges (other than Permitted Liens), (i) all of Assignor's rights, title and interests in and to the Assigned Marks, including the registrations and applications for registration thereof and the goodwill of the business connected with the use thereof and symbolized thereby, (ii) the right to sue or otherwise recover for past, present and future infringement, dilution or other violation thereof, and (iii) all proceeds, including license fees, royalties, income, payments, claims, damages, and proceeds of suit now or hereafter due and/or payable with respect thereto, the same to be held and enjoyed by Assignee, its successors and assigns or their legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Following the consummation of the Transactions, Assignor shall, and shall cause its Affiliates to, execute and deliver, without consideration, such documents as Assignee may reasonably request, or take any additional actions, in each case, if necessary or appropriate in connection with the consummation of the Transactions, to more effectively convey, assign and transfer to Assignee (or to more effectively record or evidence the same) the Assigned Marks. Assignor and Assignee agree that any filing fees associated

with recording this Assignment with the United States Patent and Trademark Office shall be borne solely by Assignee.

Assignor hereby authorizes and requests that the United States Patent and Trademark Office record this Assignment.

This Assignment shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York.

[signature page follows]

IN WITNESS WHEREOF, Assignor has caused this Assignment to be duly executed as of the date first written above.
