**INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT**

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (the "Agreement") is executed as of September 2, 2020, by and between ULC PIPELINE ROBOTICS, LLC, a New York limited liability company ("Subsidiary") and ULC BUSINESS HOLDINGS, LLC, a Delaware limited liability company ("Parent"). Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Distribution Agreement (as defined below).

**RECITALS**

A. Parent and Subsidiary are parties to that certain Distribution Agreement of even date herewith (the "Distribution Agreement"), pursuant to which Subsidiary distributed, transferred, assigned, conveyed and delivered to Parent, and Parent accepted from Subsidiary, all of the Transferred Assets, including all of Subsidiary's right, title, and interest in, to and under the patents and patent applications set forth on Schedule 1, any reissues, reexams, divisionals, continuations, or continuations in part thereof, any patents or patent applications that any of the foregoing claim priority thereto, therefrom, or have common priority claims therewith, and any foreign counterparts of any of the foregoing (collectively, the "Patents"), the trademarks, service marks, and associated registrations identified on Schedule 1 (collectively, the "Marks") and the domain names identified on Schedule 1 (collectively, the "Domain Names");

B. This Agreement is being delivered in connection with, and as contemplated by, the Distribution Agreement to further effect the Distribution.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties to this Agreement agree as follows:

**AGREEMENT**

1. Assignment of Patents. Subsidiary hereby assigns and transfers to Parent, and Parent hereby receives, acquires and accepts, free and clear of all liens and encumbrances, all of Subsidiary's worldwide right, title, and interest in and to the Patents, including: (a) all income, royalties, damages and payments now or hereafter due or payable with respect thereto, including, without limitation, damages and payments for past or future infringements of the Patents, (b) all rights of action pertaining to the Patents, including, without limitation, all rights to sue and collect damages and payments for past, present, and future infringements thereof and the right to fully and entirely stand in the place of Subsidiary in all matters related thereto, (c) the right to apply for, claim priority based on, and make filings with respect to the Patents and maintain all registrations, applications and renewals thereof, (d) the right to file counterparts anywhere in the world, and make applications for re-issue, re-examination, divisionals, continuation, continuation-in-part, provisionals and extension with respect to any of the Patents (including rights resulting from any post-grant proceedings relating to any of the foregoing for all jurisdictions throughout the world), (e) Subsidiary's right, title and interests in and to the inventions disclosed in the Patents and all applications for patents which may hereafter be filed for inventions embodied by

said Patents, and all patents which may be granted for said inventions and (f) all rights under the Paris Convention for the Protection of Industrial Property and Patent Cooperative Treaty.

2. Assignment of Marks.

(a) Subsidiary hereby irrevocably assigns and transfers to Parent, and Parent hereby receives, acquires and accepts, free and clear of all liens and encumbrances, all of Subsidiary's worldwide right, title, and interest in and to the Marks, including: (i) all of the goodwill associated or connected with the use of, and symbolized by, the Marks, (ii) all registrations obtained by Subsidiary for the Marks, including all extensions and renewals thereof, (iii) the right to file any document to maintain the Marks and any associated registrations, (iv) all common law trademark and trade name rights in the Marks, (v) the right to file applications for registration of the Marks worldwide, and (vi) the right to sue for past, present and future infringement, dilution or other violation of the Marks and collect and retain all damages, settlements and proceeds recovered therefrom; the same to be held and enjoyed by Parent, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Subsidiary if this Assignment had not been made.

(b) Subsidiary hereby authorizes the Commissioner for Trademarks of the United States Patent and Trademark Office and all other corresponding entities or agencies in any applicable government or country, to record Parent as the owner of the Marks.

3. Assignment of the Domain Names.

(a) Subsidiary hereby assigns and transfers to Parent, and Parent hereby receives, acquires and accepts, free and clear of all liens and encumbrances, all of Subsidiary's right, title and worldwide interest, in and to the Domain Names, including: (i) all related past, present and future causes of action, whether asserted or not, (ii) the right to enforce the rights to the Domain Names, (iii) the right to all income derived from the Domain Names, including the right to all unpaid royalties with respect to the use of the Domain Names, and (iv) all interests, claims, and rights for damages, profits, and other awards by reason of any past infringement, unauthorized use, misappropriation, or other violation of the Domain Names, unfair competition and/or deceptive trade practices related to the Domain Names, and all other related causes of action, and the right to sue therefor; the same to be held and enjoyed by Parent, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Subsidiary if this Assignment had not been made.

(b) Subsidiary agrees to initiate on the date hereof and promptly complete thereafter all steps necessary to transfer the Domain Names from Subsidiary to Parent. Subsidiary further agrees to cooperate fully with the requirements of the respective registrar for the Domain Names and with Parent to transfer Subsidiary's ownership and registration for the Domain Names to Parent.

4. Further Actions. From time to time, as and when requested by Parent, Subsidiary will execute and deliver, or cause to be executed and delivered, all such documents and instruments and will take, or cause to be taken, all such further or other actions, as Parent or the governmental agencies or other organizations having jurisdiction over the Patents, Marks and

Domain Names may reasonably deem necessary or desirable to (a) obtain legal protection of the Patents, Marks and Domain Names in the United States or in foreign countries; (b) give full effect to and perfect the rights of Parent under this Assignment, including but not limited to executing all documents necessary to register in the name of Parent the Patents, Marks and Domain Names; (c) otherwise register, maintain, defend, and enforce the Patents and Marks; and (d) consummate the Distribution of all of the Transferred Assets.

5. Governing Law. The laws of the State of Delaware (without regard to those laws involving conflicts or choice of law) shall govern this Agreement and all matters that relate to its interpretation or enforcement.

6. Amendment. Amendments to this Agreement shall not be binding, valid or enforceable unless they are approved in writing by authorized officers of each of the parties.

7. Binding Effect; Interpretation; Entire Agreement. This Agreement shall be binding upon, and enforceable against, the parties and all of their permitted assignees and successors in title or interest. Captions and headings are used in this Agreement for convenience only and shall not affect its interpretation or enforcement. Any terms such as "hereby," "herein" and similar references shall be deemed to refer to this Agreement as a whole, rather than to any particular provision. Terms defined in the singular in this Agreement shall be deemed to include their respective plurals, and vice versa. Any prior oral agreements with respect to the subject matter of this Agreement have been integrated into this Agreement as deemed necessary by the parties and are superseded by this Agreement.

8. Terms of the Distribution Agreement. The terms of the Distribution Agreement, will not be superseded but will remain in full force and effect to the full extent provided in the Distribution Agreement. In the event of any conflict or inconsistency between the terms of the Distribution Agreement and the terms of this Agreement, the terms of the Distribution Agreement will govern.

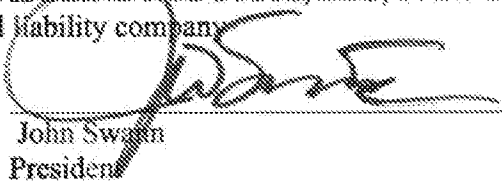

9. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Copies (including delivery by facsimile, electronic mail (PDF) or other electronic transmission or original) of signatures to this Agreement shall be deemed to be originals and shall be binding to the same extent as original signatures.
