ASSIGNMENT OF TRADEMARKS

WHEREAS, American Products, LLC (hereinafter referred to as "Assignor"), is the owner of the Marks (as defined in Section 1);

WHEREAS, KM2022 LLC, a Missouri limited liability company (hereinafter referred to as the "Assignee"), is desirous of acquiring all of Assignors' rights, title and interest in and to said Marks within the United States and its territorial possessions and all foreign countries and any United States or foreign patents that may be granted therefor; and

WHEREAS, in accordance with the terms of the Asset Purchase Agreement by and among Assignors, Assignee, Koch Enterprises, Inc., Ensign Solutions, LLC, and AmProd Holdings, LLC dated December 31, 2021, Assignee desires to obtain an assignment of Assignors' rights in the Marks, Assignors desire to assign their rights in the Marks to Assignee;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor makes the following assignment to Assignee:

1. The Marks. The Marks being assigned by Assignor to Assignee hereunder (together with all associated goodwill), all applications for registration therefor, and all registrations thereof (the "Marks") are as identified on Schedule A (attached hereto and made a part hereof).

2. Assignment. Assignor does hereby sell, assign, transfer, and convey to Assignee its entire right, title, and interest in and to the Marks throughout the world and any and all rights to any registrations therefor or applications for registrations thereof which may now or hereafter exist anywhere in the world, together with all of Assignor's goodwill associated therewith or symbolized thereby throughout the world.

3. Other Actions. Assignor agrees to execute and deliver all instruments and documents and to do all other reasonable acts appropriate to perfect in Assignee sole and exclusive title to the Marks and the rights transferred hereunder. In this regard, Assignor hereby appoints Assignee as its attorney in fact to execute and deliver any and all such documents or instruments as Assignee may deem necessary or appropriate to vest in Assignee sole and exclusive right, title, and interest in and to the Marks and all other rights assigned hereunder. Such appointment shall be deemed to be a power coupled with an interest and is, therefore, irrevocable.

4. Additional Rights. In addition to the above-specified rights, Assignor specifically assigns to Assignee all its claims (if any) to recover for any infringement or other violation of the ownership or use rights of the Mark, whether such infringement or violation occurs in the future or has occurred in the past. This right includes the right to sue for injunctive relief and monetary damages and to recover attorney's fees for its own account and benefit and with no right of accounting to Assignor. Assignor agrees to cooperate with Assignee in any such action, at Assignee's expense.

5. Communications. Assignee is authorized to communicate with the United States Patent and Trademark Office (and corresponding offices or agencies in other countries of the world), and the United States Patent and Trademark Office (and corresponding offices or agencies

in other countries of the world) is authorized to receive and act upon all instructions, communications, correspondence, or other information sent or provided by Assignee to the same extent as if this Assignment had not been made and such item had been received from Assignor.

We have hereto set our hands as of this 31st day of December, 2021.
