ASSIGNMENT

This Assignment is made by  of Contractors & Industrial Supply Company, Inc., a Tennessee corporation, (the Assignor), to Mazzella Lifting Technologies, Inc., an Ohio corporation, (the Assignee). Assignor believes that he/she/it is the owner of the patents and patent applications and trademarks identified in Appendix A (attached hereto) (the Patents and Trademarks). Assignor represents and warrants that he/she is the owner of the right, title, and interest in and to the Patents and Trademarks, having full right and power to convey its entire interest, both legal and equitable, in this Assignment. Assignor further represents and warrants that the rights transferred in this Assignment are free of lien, encumbrance, or adverse claim.

For valuable consideration, receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

1. Assignor does hereby sell, assign, convey, and transfer to Assignee, its successors, assigns, nominees, or other legal representatives the full, exclusive, entire, worldwide rights, title, and interest in, to and under said Patents and Trademarks; also its entire right, title, and interest in and to any and all reissues or extensions to be obtained in this or any foreign country upon the Patents and Trademarks; and in and to all income, royalties, damages, claims, good will, and payments now or hereafter due or payable with respect thereto; and in and to all causes of action, either in law or in equity, for past, present, or future infringement based on the Patents and Trademarks.
2. Assignor further agrees to execute all extension, reissue, and other patent applications in this or any foreign country relating to the Patents and Trademarks and to sign all other lawful papers and to perform all other lawful acts without further consideration, but without expense to Assignor, which Assignee may deem necessary or desirable to make this Assignment fully effective, including, by way of example but not of limitation, the following acts:
 - a. prompt execution of all lawful oaths, affidavits, and/or supplemental oaths required or deemed advisable by Assignee; and
 - b. co-operation to the best of Assignor's ability in the execution of all lawful documents, the production of evidence, and the giving of testimony in interference, opposition, derivation, review, nullification, examination, re-examination, infringement, or other proceedings involving the Patents and Trademarks.

Assignor, intending to be legally bound, has signed this Assignment on the date written by the Assignor's signature below. Assignor hereby acknowledges that any willful false statement made in this Assignment is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.
