the provisions hereof relating to such attachment, perfection or priority and for purposes of definitions related to such provisions.

1.14 In addition, the following terms shall be defined terms having the meaning set forth for such terms in the UCC: “accounts,” “account debtor,” “deposit account,” “general intangibles,” and “proceeds”. Each of the foregoing defined terms shall include all of such items now owned or existing, or hereafter arising or acquired by Grantor.

1.15 All capitalized terms used herein and not otherwise defined herein shall have the respective meanings given to them in the Loan Agreement.

2. GRANT OF SECURITY INTEREST. As collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all the Secured Obligations and in order to induce Administrative Agent and Lenders to enter into the Loan Agreement, Grantor hereby grants to Administrative Agent for the benefit of the Secured Parties a security interest in all of Grantor’s right, title and interest, if any, in, to and under the following, whether now owned or existing or hereafter arising or acquired and wheresoever located (collectively, the “Collateral”):

2.1 All Copyrights, Patents and Trademarks including, without limitation, the Copyrights, Patents and Trademarks registered in the United States listed in Schedule A, all Licenses including, without limitation, the Licenses listed in Schedule B, and any presently pending Litigation including, without limitation, the Litigation listed in Schedule C;

2.2 All accounts, contract rights and general intangibles arising under or relating to each and every License (including, without limitation, (A) all moneys due and to become due under any License, (B) any damages arising out of or for breach or default in respect of any such License, (C) all other amounts from time to time paid or payable under or in connection with any such License, and (D) the right of Grantor to terminate any such License or to perform and to exercise all remedies thereunder); and

2.3 To the extent not otherwise included, all proceeds of each of the foregoing and all accessions to, substitutions and replacements for and rents, profits and products of each of the foregoing.

Notwithstanding the foregoing, the Collateral shall not include (i) any intent-to-use application for a Trademark to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use application under United States federal law and (ii) any contractual obligation entered into by Grantor that prohibits or requires the consent of any Person other than Grantor and its affiliates which has not been obtained as a condition to the creation by Grantor of a lien on any right, title or interest in such contractual obligation, but only to the extent, and for as long as, such prohibition is not terminated or rendered unenforceable or otherwise deemed ineffective by the UCC; provided, however, any proceeds, products, substitutions or replacements of such items shall constitute Collateral.

3. RIGHTS OF SECURED PARTY; COLLECTION OF ACCOUNTS.

3.1 Notwithstanding anything contained in this IP Security Agreement to the contrary, Grantor expressly agrees that it shall remain liable under each of its Licenses to observe and perform in all material respects all the conditions and obligations to be observed and performed by it thereunder and that it shall perform all of its duties and obligations thereunder, all in accordance with and pursuant to the terms and provisions of each such License. Administrative Agent shall not have any obligation or liability under any License by reason of or arising out of this IP Security Agreement or the granting to Administrative Agent for the benefit of the Secured Parties of a Lien therein or the receipt by Administrative Agent of any payment relating to any License pursuant hereto, nor shall Administrative Agent be required or obligated in any manner to perform or fulfill any of the obligations of Grantor under or pursuant to any License, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any License, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times. Grantor agrees that any rights granted under this IP Security Agreement to Administrative Agent for the benefit of the Secured Parties with respect to all of the Collateral shall be worldwide and without any liability for royalties or other related charges from Administrative Agent to Grantor.

3.2 Subject to the terms and conditions of the Loan Agreement and the other Loan Documents, Administrative Agent authorizes Grantor to, at any time no Event of Default exists, collect its accounts related to the sale, license, settlement, judgment or other disposition of, or otherwise arising from, any of the Collateral, provided that such collection is performed in a commercially reasonable manner, and Administrative Agent may, upon the occurrence and during the continuation of any Event of Default and with prior written notice to Grantor, limit or terminate said authority at any time. Upon the occurrence and during the continuation of any Event of Default (beyond any applicable cure period), at the request of Administrative Agent, Grantor shall deliver all original and other documents evidencing and relating to such accounts, including, without limitation, all original orders, invoices and shipping receipts.

3.3 Administrative Agent may at any time, upon the occurrence and during the continuation of any Event of Default, without prior written notice to Grantor of its intention to do so, notify any account debtors of Grantor or any parties to the Licenses of Grantor that the accounts and the right, title and interest of Grantor in and under such Licenses have been assigned to Administrative Agent for the benefit of the Secured Parties and that payments shall be made directly to Administrative Agent. Upon the request of Administrative Agent at any time after the occurrence and during the continuation of an Event of Default, Grantor shall so notify such account debtors and parties to such Licenses. Upon the occurrence and during the continuation of any Event of Default, Administrative Agent may, in its name or in the name of others, communicate with such account debtors and parties to such Licenses to verify with such parties, to Administrative Agent's reasonable satisfaction, the existence, amount and terms of any such accounts or Licenses.

4. REPRESENTATIONS AND WARRANTIES. Grantor hereby represents and warrants to Administrative Agent and the Lenders that:

4.1 Except for the Liens disclosed on Schedule 4.1 and the security interest granted to Administrative Agent for the benefit of the Secured Parties under this IP Security Agreement and the Loan Agreement, Grantor is the legal and equitable owner of all right, title and interest in and to each item of the Collateral in which it purports to grant a security interest hereunder, having good and marketable title thereto, free and clear of any and all Liens, and will continue to be the legal and equitable owner of all right, title and interest in and to each item of the Collateral, so long as the Copyrights, Patents, Trademarks and Licenses shall continue in force, except to the extent that dispositions are permitted pursuant to the Loan Agreement.

4.2 Except for this IP Security Agreement, the Loan Agreement, and the Liens disclosed on Schedule 4.1, (i) no effective security agreement, financing statement, equivalent security or lien instrument or continuation statement covering all or any part of the Collateral exists, and (ii) Grantor has made no previous assignment, transfer or agreements in conflict herewith or constituting a present or future assignment, transfer or encumbrance on any of the Collateral.

4.3 This IP Security Agreement creates a legal and valid security interest on and in all of the Collateral. Upon the filing of appropriate financing statements and the filing of a copy of this IP Security Agreement with the United States Copyright Office and the United States Patent and Trademark Office, as applicable, Administrative Agent will have a fully perfected security interest in all of the Collateral in which a security interest can be perfected by the filing of financing statements and the filing of a copy of this IP Security Agreement with the United States Copyright Office and the United States Patent and Trademark Office, as applicable.

4.4 Except as set forth on Schedule 4.1, so long as any Secured Obligation remains outstanding, Grantor will not execute, and there will not be on file in any public office, any effective financing statement or other document or instrument covering the Collateral.

4.5 Grantor has the full right and power to grant the security interest in the Collateral made hereby.

4.6 To the best of Grantor's knowledge and belief following diligent inquiry, except as set forth on Schedule 4.6, no infringement, breach or unauthorized use presently is being made of any of the Collateral which has or may reasonably be expected to have, alone or in the aggregate, a material adverse effect on the value or adversely affect enforceability of, or any rights of Grantor or Administrative Agent in, any Collateral. Grantor has advised Administrative Agent of the existence of all contractual restrictions on the use of the Collateral, including, without limitation, those set forth on Schedule 4.6 hereto.

4.7 Except as set forth on Schedule 4.6, to the best of Grantor's knowledge and belief following diligent inquiry, (i) there are no obligations to, covenants to or restrictions (other than those disclosed pursuant to Section 4.6) from third parties affecting Grantor's use, disclosure, enforcement, transfer or licensing of the Collateral (other than this IP Security Agreement); (ii) Grantor has taken all actions necessary to maintain and protect all Collateral and no loss of such Collateral is pending, reasonably foreseeable or threatened; (iii) there has been no claim made or threatened by or against Grantor asserting the invalidity, misuse or

unenforceability of any item of Collateral or challenging Grantor's right to use or ownership of any item of Collateral, and there are no grounds for any such claim or challenge; (iv) there is not and has not been any actual or threatened infringement, misappropriation, breach or other violation of any Collateral, and there are no facts raising a likelihood of infringement, misappropriation, breach or other violation; (v) the consummation of the transactions contemplated by (A) this IP Security Agreement and (B) the Loan Agreement will not alter, impair or extinguish any rights of Grantor in the Collateral; (vi) Grantor has not infringed, misappropriated or otherwise violated, and Grantor does not infringe, misappropriate, or otherwise violate, any intellectual property or proprietary right of any other person or entity; and (vii) there has been no claim made or, to Grantor's knowledge, threatened against Grantor alleging infringement, misappropriation or other violation of intellectual property.

5. **COVENANTS.** Grantor covenants and agrees with Administrative Agent that from and after the date of this IP Security Agreement and until the Secured Obligations have been performed and paid in full:

5.1 **Disposition of Collateral.** Grantor shall not Dispose of any of the Collateral, or contract to do so, except as permitted by the Loan Agreement.

5.2 **Limitation on Liens on Collateral.** Except as disclosed on Schedules 4.1 and 4.6, Grantor shall not, directly or indirectly, create, permit or suffer to exist, and shall defend the Collateral against and take such other action as is necessary to remove, any Lien on the Collateral.

5.3 **Maintenance of Records.** Grantor shall keep and maintain at its own cost and expense records of the Collateral that are complete in all material respects.

5.4 **Registration and Maintenance of Intellectual Property Rights.** Except as would not have a materially adverse effect on the value or adversely affect the enforceability of, or any rights of Grantor or Administrative Agent in, any Collateral, Grantor shall (i) use commercially reasonable efforts to prosecute any Patent, Trademark or Copyright for use in the United States pending as of the date hereof or thereafter, (ii) promptly make applications for, register or cause to be registered in the United States (to the extent not already registered and consistent with good faith business judgment) any such Copyright, Patent or Trademark or any Copyright License, Patent License or Trademark License related thereto, which is (a) owned or held by Grantor and set forth in Disclosure Schedule 7.13 to the Loan Agreement or (b) is individually or in the aggregate, material to the conduct of Grantor's business, with the United States Copyright Office or Patent and Trademark Office, as applicable, including, without limitation, in all such cases the filing and payment of maintenance, registration and/or renewal fees, the filing of applications for renewal, affidavits of use, affidavits of noncontestability, the filing and diligent prosecution of opposition, interference and cancellation proceedings, and promptly responding to all United States Copyright Office or Patent and Trademark Office requests and inquiries. Except as would not have a material adverse effect on the value or enforceability of, or any rights of Grantor or Administrative Agent in, any Collateral, Grantor also agrees to take commercially reasonable steps to preserve and maintain all rights in the Collateral. Any expenses incurred in connection with prosecution, registration and maintenance shall be borne by Grantor. Grantor further agrees to retain experienced patent, trademark and

copyright attorneys for the filing and prosecution of all such applications and other proceedings when and if applicable. Except as would not have a material adverse effect on the value or enforceability of, or any rights of Grantor or Administrative Agent in, any Collateral, Grantor shall not, without Administrative Agent's prior written consent, abandon any rights in or fail to pay any maintenance or renewal fee for any Patent, Trademark or Copyright owned or held by Grantor and listed in Disclosure Schedule 7.13 to the Loan Agreement or breach, terminate, fail to renew or extend, or fail to perform any duties or obligations for any License held by Grantor and listed in Disclosure Schedule 7.13 to the Loan Agreement. Grantor further agrees that it will not take any action, or permit any action to be taken by any person or entity to the extent that such person or entity is subject to its control, including licensees, or fail to take any action, which would affect the validity, priority, perfection or enforcement of the rights granted to Administrative Agent for the benefit of the Secured Parties under this IP Security Agreement, and any such action if it shall take place shall be null and void and of no effect whatsoever. If Grantor fails to comply with any of the foregoing provisions of this Section 5.4, Administrative Agent shall have the right (but shall not be obligated) to do so on behalf of Grantor to the extent permitted by law, but at Grantor's expense, and Grantor hereby agrees to reimburse Administrative Agent in full for all reasonable documented expenses, including the reasonable fees and disbursements of counsel incurred by Administrative Agent in procuring, protecting, defending and maintaining the Collateral. In the event that Grantor shall fail to pay when due any fees required to be paid by it hereunder, or shall fail to comply with any other duty under this IP Security Agreement, Administrative Agent may, but shall not be required to, pay, satisfy, discharge or bond the same for the account of Grantor, and all monies so paid out shall be Secured Obligations of Grantor repayable on demand, together with interest at the rate in effect pursuant to the Loan Agreement at such time.

5.5 Notification Regarding Changes in Intellectual Property. Grantor shall, not less frequently than on a quarterly basis as provided below, advise Administrative Agent of any right, title or interest of Grantor obtained after the date hereof in or to any Copyright, Patent, Trademark or License not specified on Disclosure Schedule 7.13 to the Loan Agreement, the provisions of Section 2 above shall automatically apply thereto, and Grantor hereby authorizes and appoints Administrative Agent as Grantor's attorney-in-fact solely to the extent necessary to modify or amend such Schedule, as necessary, to reflect any addition or deletion to such ownership rights, and pursuant to Schedule D, to make any additional filings. In addition to any requirements in this IP Security Agreement for notification, Grantor shall also provide Administrative Agent with quarterly reports within sixty (60) days of the end of each of the first three (3) calendar quarters and within ninety (90) days of the end of the fourth calendar quarter that identify the status of any new Copyrights, Patents, Trademarks and/or Licenses, any newly filed applications, the status of any pending applications, the status of Litigation and licensing, any threats of Litigation, the identification of any known or suspected infringers and the discovery of any prior art or any other information that may affect the validity or enforceability of the Collateral.

5.6 Defense of Intellectual Property. Grantor shall (i) protect, defend and maintain the validity and enforceability of all current and future Copyrights, Patents and Trademarks, (ii) use its commercially reasonable efforts to detect infringements of such Copyrights, Patents and Trademarks and promptly advise Administrative Agent in writing of infringements detected and (iii) not allow any Copyrights, Patents or Trademarks that are

material to the conduct of Grantor's business or are related to the maintenance of the value of the brand name created by Grantor to be abandoned, forfeited or dedicated to the public.

5.7 Further Assurances; Pledge of Instruments. At any time and from time to time, upon the written request of Administrative Agent, and at the sole expense of Grantor, Grantor shall promptly and duly execute and deliver any and all such further instruments and documents and take such further action as Administrative Agent may reasonably deem necessary or desirable to obtain the full benefits of this IP Security Agreement, including, without limitation, facilitating the filing of UCC-1 Financing Statements in all applicable jurisdictions and this IP Security Agreement (and any amendment hereto) or any other document that Administrative Agent may reasonably deem necessary, including, without limitation, any filing described in Schedule D or any other collateral assignment, (and any amendments thereto) with the United States Copyright Office, the United States Patent and Trademark Office, or the equivalent filing office in any state or foreign jurisdiction, as applicable.

5.8 Right of Inspection and Audit. Subject to any applicable limitations set forth in Section 10.6 and Section 10.7 of the Loan Agreement, upon reasonable notice to Grantor (unless an Event of Default has occurred and is continuing, in which case no notice is necessary), Administrative Agent shall at all times have full and free access during normal business hours (or during an Event of Default at any time) to all the books, records, correspondence, office, facilities and operations of Grantor, including, without limitation, Grantor's quality control processes, and Administrative Agent or any agents or representatives of Administrative Agent may examine the same, take extracts therefrom and make photocopies thereof, and Grantor agrees to render to Administrative Agent, at Grantor's cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto, provided, however, that (unless an Event of Default has occurred and is continuing) (a) Grantor shall have the right to be present during Administrative Agent's examination and (b) such examination shall not unreasonably interfere with the conduct of Grantor's business.

5.9 Continuous Perfection. Grantor shall not change its name, identity, corporate structure, jurisdiction of organization or corporation identification number in any manner which might make any financing or continuation statement filed in connection herewith seriously misleading within the meaning of Section 9-506 of the UCC (or any other then applicable provision of the UCC) unless Grantor gives Administrative Agent thirty (30) days' prior written notice thereof and takes all action necessary or reasonably requested by Administrative Agent to amend such financing statement or continuation statement so that it is not seriously misleading.

5.10 Power of Attorney. Grantor hereby irrevocably appoints Administrative Agent (and any of Administrative Agent's designated officers or employees) as Grantor's true and lawful attorney to in accordance with the terms hereof: (a) send requests for verification of accounts and Licenses or notify account debtors or licensees of Administrative Agent's security interest in the accounts and Licenses; (b) endorse Grantor's name on any checks or other forms of payment or security that may come into Administrative Agent's possession in connection with the Collateral; (c) sign Grantor's name on any invoice or bill of lading relating to any account, drafts against account debtors, schedules and assignments of accounts and Licenses, verifications of accounts and Licenses, and notices to account debtors and licensees, (d) make, settle and

adjust all claims under and decisions with respect to Grantor's policies of insurance relating to the Collateral; (e) settle and adjust disputes and claims respecting the accounts and Licenses directly with account debtors and licensees, for amounts and upon terms which Administrative Agent determines to be reasonable; (f) modify, in its sole discretion, any intellectual property security agreement entered into between Grantor and Administrative Agent without first obtaining Grantor's approval of or signature to such modification by amending reference to any right, title or interest in any Copyright, Patent, Trademark or License, acquired by Grantor after the execution hereof or to delete any reference to any right, title or interest in any Copyright, Patent, Trademark or License, in which Grantor no longer has or claims any right, title or interest; (g) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Administrative Agent in the use of the Collateral, (h) take any other actions with respect to the Collateral as Administrative Agent deems in the best interest of Administrative Agent (consistent with any enforceable restrictions in Licenses to Grantor); (i) grant or issue any exclusive or non-exclusive license under the Collateral to anyone (consistent with any enforceable restrictions in Licenses to Grantor) or (j) assign, pledge, convey or transfer title in or dispose of the Collateral to anyone, including Administrative Agent or a third party to the extent permitted under the UCC, free and clear of any encumbrance upon title thereof (other than any encumbrance created by this IP Security Agreement and consistent with any enforceable restrictions in Licenses to Grantor). During the period of any Event of Default, all use of the Collateral by Grantor shall inure to the benefit of Administrative Agent. Administrative Agent shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale as provided in Section 6.4 hereof, Grantor remaining liable for any deficiency remaining unpaid after such application, and to the extent required by the UCC, only after so paying over such net proceeds and after the payment by Administrative Agent of any other amount required by any provision of law, need Administrative Agent account for the surplus, if any, to Grantor. Grantor agrees that Administrative Agent need not give more than ten (10) days' notice (which notification shall be deemed given when mailed or delivered on an overnight basis, postage prepaid, addressed to Grantor at its address set forth on the signature page hereof) of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters. Administrative Agent shall be deemed to have acted reasonably in the custody, preservation and disposition of any of the Collateral if it takes such action as Grantor requests in writing, but failure of Administrative Agent to comply with any such request shall not in itself be deemed a failure to act reasonably and no failure of Administrative Agent to do any act not so requested shall be deemed a failure to act reasonably.

9. **MISCELLANEOUS.**

9.1 **No Waiver; Cumulative Remedies.**

9.1.1 Administrative Agent shall not by any act, delay, omission or otherwise be deemed to have waived any of its rights or remedies hereunder, nor shall any single or partial exercise of any right or remedy hereunder on any one occasion preclude the further exercise thereof or the exercise of any other right or remedy.

9.1.2 The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently and are not exclusive of any rights and remedies provided by law. Grantor acknowledges and agrees that this IP Security Agreement is not intended to limit or restrict in any way the rights and remedies of Administrative Agent but rather is intended to facilitate the exercise of such rights and remedies. Administrative Agent shall have, in addition to all other rights and remedies given it by the terms of the Security Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the UCC. Recourse to security will not be required at any time.

To the extent of any assignment by Administrative Agent, the assignee shall have the same rights and benefits against Grantor hereunder as it would have had if such assignee were Administrative Agent. Grantor may not assign this IP Security Agreement without the prior written consent of Administrative Agent, which consent may be granted or withheld at the sole discretion of Administrative Agent. No sales of participations, other sales, assignments, transfers or other dispositions of any agreement governing or instrument evidencing the Secured Obligations or any portion thereof or interest therein shall in any manner affect the lien granted to Administrative Agent for the benefit of the Secured Parties hereunder.
