TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "**Agreement**"), is dated as of January 26, 2022, and is by and among INNOVUS PHARMACEUTICALS, INC., a Nevada corporation ("**Innovus**"), SEMPRAE LABORATORIES, INC., a Delaware corporation ("**Semprae**"), AYTU BIOPHARMA, INC., a Delaware corporation ("**Aytu BioPharma**"), and NOVALERE, INC., a Delaware corporation ("**Novalere**"; and together with Innovus, Semprae and Aytu BioPharma, collectively, the "**Grantors**," and each individually, a "**Grantor**"), in favor of ECLIPSE BUSINESS CAPITAL LLC (f/k/a ENCINA BUSINESS CREDIT, LLC), as Agent for the Lenders (in such capacity, "**Agent**") under the Loan and Security Agreement (as defined herein).

RECITALS

A. Each Grantor, the other Loan Party Obligors party thereto from time to time, Agent and the Lenders party thereto from time to time have entered into a Loan and Security Agreement dated as of October 2, 2019 (as amended, restated, supplemented or otherwise modified from time to time, the "**Loan Agreement**"; capitalized terms used but not defined herein shall have the meaning given to such terms in the Loan Agreement), pursuant to which Lenders have agreed to make loans and certain other extensions of credit to each Grantor, NEOS THERAPEUTICS, INC., a Delaware corporation, NEOS THERAPEUTICS BRANDS, LLC, a Delaware limited liability company and NEOS THERAPEUTICS, LP, a Texas limited partnership, each as a Borrower, as provided therein.

B. Pursuant to the Loan Agreement, each Grantor is required to execute and deliver to Agent, for its benefit and the benefit of the Lenders, this Agreement for purposes of filing with the United States Patent and Trademark Office ("**USPTO**").

C. Pursuant to the Loan Agreement, each Grantor has granted to Agent, for itself and on behalf of the Lenders, a security interest in substantially all the assets of such Grantor, including all right, title and interest of such Grantor in, to, and under all now owned and hereafter acquired trademarks, trademark applications and trademark licenses, and all products and proceeds thereof to secure the payment and performance of the Obligations.

AGREEMENT

In consideration of the mutual covenants and agreements set forth herein and in the Loan Agreement, it is hereby agreed that:

1. This Agreement is made to secure the satisfactory performance and payment of all the Obligations. Upon the Termination Date, Agent shall promptly, following written request by a Grantor, execute, acknowledge, and deliver to such Grantor all instruments reasonably requested by such Grantor necessary to release Agent's security interest in the Trademark Collateral (as defined below) acquired under this Agreement.

2. Each Grantor hereby grants to Agent, for itself and on behalf of the Lenders, a continuing security interest and lien in all of such Grantor's right, title and interest in, to, and under the following, whether presently existing or hereafter created or acquired to secure the payment

and performance of the Obligations: (a) each trademark and trademark application, including, without limitation, each trademark registration and trademark application referred to in Schedule 1 attached hereto and incorporated herein, together with any reissues, continuations or extensions thereof and all goodwill associated therewith; each exclusive trademark license if such Grantor has the right to grant a security interest in such license, including, without limitation, each exclusive trademark license listed on Schedule 1, together with all goodwill associated therewith and (b) all products and proceeds of the foregoing, including, without limitation, all claims and causes of action arising prior to or after the date hereof for past, present or future infringement of any trademark, including, without limitation, any trademark registration or application referred to in Schedule 1 (items (a) and (b) being herein collectively referred to as the "**Trademark Collateral**"). Notwithstanding the foregoing, any trademark applications filed in the USPTO on the basis of any Grantor's intent to use such trademark shall be excluded from Trademark Collateral, unless and until a statement of use or amendment to allege use is filed in the USPTO, whereupon such trademark shall automatically be deemed included in the Trademark Collateral.

This security interest and lien is granted in conjunction with the security interests and liens granted to Agent, for itself and on behalf of the Lenders, pursuant to the Loan Agreement and subject to limitations set forth therein. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent and the Lenders with respect to the security interests and liens in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

THIS AGREEMENT IS MADE UNDER AND SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES.

[signature pages follow]

Grantors have caused this Trademark Security Agreement to be duly executed by its duly authorized officer thereunto as of the date first set forth above.
