## Trademark Security Agreement

**Trademark Security Agreement**, dated as of January 31, 2022, by TWELVE SOUTH, LLC, a South Carolina limited liability company ("Pledgor"), in favor of MEDALLION CAPITAL, INC. ("Lender").

### W I T N E S S E T H:

WHEREAS, the Pledgor is party to a Note Purchase and Security Agreement of even date herewith (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Loan Agreement") in favor of the Lender pursuant to which the Pledgor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lender to enter into the Loan Agreement, the Pledgor hereby agrees with the Lender as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Loan Agreement and used herein have the meaning given to them in the Loan Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for the payment and performance in full of all the Indebtedness, Pledgor hereby pledges and grants to the Lender a lien on and security interest in all of the right, title and interest of such Pledgor in, to and under the following Pledged Collateral of Pledgor (collectively, "Trademark Collateral"):

- (a) Trademarks of Pledgor, including those listed on Schedule I attached hereto; and
- (b) all Proceeds of any and all of the foregoing; in each case of the foregoing clause.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Lender pursuant to the Loan Agreement and Pledgor hereby acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Loan Agreement.

SECTION 4. Termination. Upon the payment in full of the Obligations and termination of the Loan Agreement (other than contingent indemnification obligations not then due and payable), the Lender shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Governing Law. This Trademark Security Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Trademark Security Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise, shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of Minnesota, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

[signature page follows]

IN WITNESS WHEREOF, Pledgor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
