TRADEMARK SECURITY AGREEMENT dated as of February 4, 2022 (this “*Agreement*”), among CHS/COMMUNITY HEALTH SYSTEMS, INC., a Delaware corporation (the “*Company*”), together with the other entities listed on the signature pages hereof (each, including the Company, a “*Grantor*”, and collectively, the “*Grantors*”) and CREDIT SUISSE AG, as Collateral Agent (the “*Collateral Agent*”).

Reference is made to the Second Amended and Restated Guarantee and Collateral Agreement dated as of July 25, 2007, as amended and restated as of November 5, 2010, as further amended as of August 17, 2012, and as further amended and restated as of November 19, 2019 (as further amended, restated, supplemented or otherwise modified from time to time, the “*Security Agreement*”), among the Company, Community Health Systems, Inc., a Delaware corporation, the Subsidiaries of the Company from time to time party thereto and the Collateral Agent, and that certain Indenture, dated as of February 4, 2022, governing the Company’s 5.250% Senior Secured Notes due 2030 (as amended, restated, supplemented or otherwise modified from time to time), (the “*Indenture*”), among the Company, each Guarantor party thereto, Regions Bank, an Alabama banking corporation, as trustee, and Credit Suisse AG, as the Collateral Agent, together with the global notes evidencing the securities issued thereunder on February 4, 2022 and the guarantees thereof. The Secured Parties have agreed to extend credit to the Company subject to the terms and conditions set forth in the Indenture. The obligations of the Secured Parties to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantors will derive substantial benefits from the extension of credit to the Company pursuant to the Indenture and are willing to execute and deliver this Agreement in order to induce the Secured Parties to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and permitted assigns, for the ratable benefit of the Secured Parties, a security interest in all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “*Trademark Collateral*”):

(a) all registered trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and applications for registration (other than intent-to-use applications) in the United States Patent and Trademark Office (or any successor office) or any similar offices in any State of the United States, and all extensions or renewals thereof, including those listed on Schedule I hereto (the “*Trademarks*”); and

(b) all goodwill associated with or symbolized by the Trademarks.

Notwithstanding the foregoing, no applications for registration of Trademarks filed in the United States Patent and Trademark Office on an intent-to-use basis will be included in the Trademark Collateral until such time as a statement of use has been filed and accepted by the United States Patent and Trademark Office with respect to such Trademark, to the extent that the grant of a security interest in any such Trademark application would adversely affect the validity or enforceability or result in cancelation or voiding of such Trademark application.

SECTION 3. Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. Execution in Counterparts. This Agreement may be executed in counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same instrument. Any signature to this Agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method, and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Agreement. Each of the parties hereto represents and warrants to the other parties that it has the corporate or other organizational capacity and authority to execute this Agreement through electronic means and there are no restrictions for doing so in that party's constitutive documents.

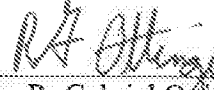

SECTION 5. Applicable Law. This Agreement shall be construed in accordance with and governed by the laws of the State of New York.
