Amended and Restated Trademark Security Agreement

Amended and Restated Trademark Security Agreement, dated as of December 22, 2021, by BEVERAGE MARKETING USA, INC. (the “Pledgor”), in favor of JPMORGAN CHASE BANK, N.A., in its capacity as Administrative Agent pursuant to the Amended and Restated Credit Agreement (in such capacity, the “Administrative Agent”).

W I T N E S S E T H:

WHEREAS, the Pledgor is party to an Amended and Restated Security Agreement dated as of December 22, 2021 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in favor of the Administrative Agent pursuant to which the Pledgor is required to execute and deliver this Amended and Restated Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, for the benefit of the Secured Parties, to enter into the Amended and Restated Credit Agreement, the Pledgor hereby agrees with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Pledgor hereby pledges and grants to the Administrative Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Pledged Collateral of the Pledgor (the “Trademark Collateral”):

(a) Trademarks of the Pledgor, including those listed on Schedule I attached hereto;

(b) all goodwill associated with such Trademarks; and

(c) all Proceeds of any and all of the foregoing (other than Excluded Property). For the avoidance of doubt, the Trademark Collateral does not include any U.S. intent-to-use trademark application to the extent and for so long as creation by the Pledgor of a security interest therein would result in the loss by the Pledgor of any material rights therein or in any registration issuing therefrom.

SECTION 3. Security Agreement. The security interest granted pursuant to this Amended and Restated Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and the Pledgor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Amended and Restated Trademark

Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Administrative Agent shall otherwise determine.

SECTION 4. Termination. When all of the Obligations have been paid in full (other than (A) contingent indemnification obligations and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Swap Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made) and the Commitments of the Lenders to make any Loan under the Credit Agreement shall have expired or been sooner terminated, and upon termination of the Security Agreement, the Administrative Agent shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Amended and Restated Trademark Security Agreement.

SECTION 5. Counterparts. This Amended and Restated Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Amended and Restated Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Governing Law. This Amended and Restated Trademark Security Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Amended and Restated Trademark Security Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise, shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.
