GRANT OF SECURITY INTEREST–TRADEMARKS

February 8, 2022

WHEREAS, Stryten Energy LLC (the “Assignor”) has adopted, used and is using, and holds all right, title and interest in and to, the trademarks and service marks listed on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the “Trademarks”);

WHEREAS, the Assignor has entered into that certain Security Agreement, dated October 12, 2021 (as amended, restated, amended and restated, supplemented, modified or otherwise changed from time to time, the “Security Agreement”), in favor of BANK OF AMERICA, N.A., as the Agent for itself and certain lenders (in such capacity, together with its successors and assigns, if any, the “Assignee”); and

WHEREAS, pursuant to the Security Agreement, the Assignor has assigned to the Assignee and granted to the Assignee for the benefit of the Secured Parties (as defined in the Security Agreement), a continuing security interest in all right, title and interest of the Assignor in, to and under the Collateral (as defined in the Security Agreement), including the Trademarks (other than intent-to-use trademark applications for which no statement of use has been filed with the U.S. Patent and Trademark Office), together with, among other things, the good-will of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the “Trademark Collateral”), to secure the payment, performance and observance of the Obligations (as defined in the Security Agreement).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby pledge, convey, sell, assign, transfer and set over unto the Assignee and grants to the Assignee for the benefit of the Assignee and the Secured Parties a continuing security interest in the Collateral, including the Trademark Collateral to secure the prompt payment, performance and observance of the Obligations.

The Assignor does hereby further acknowledge and affirm that the rights and remedies of the Assignee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of a conflict between this Grant of Security Interest and the Security Agreement, the Security Agreement shall control.

[Signature page follows]

IN WITNESS WHEREOF, the Assignor has caused this Grant of Security Interest to be duly executed by its officer thereunto duly authorized as of the date first written above.

STRYTEN ENERGY LLC
