NOTES TRADEMARK SECURITY AGREEMENT

This **NOTES TRADEMARK SECURITY AGREEMENT**, dated as of February 3, 2022 (this “**Agreement**”) is made by **RYAN SPECIALTY GROUP, LLC**, a Delaware limited liability company (“**Grantor**”), in favor of **U.S. BANK NATIONAL ASSOCIATION**, as the Notes Collateral Agent for the Notes Secured Parties (in such capacity and together with its successors and assigns, the “**Notes Collateral Agent**”). Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meanings given to them (including by reference) in the Security Agreement.

WHEREAS, the Grantor is party to a Notes Security Agreement dated as of February 3, 2022 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), by and among the Grantor, the other grantors party thereto and the Notes Collateral Agent, pursuant to which the Grantor granted a security interest to the Notes Collateral Agent (for the benefit of the Notes Secured Parties) in the Trademark Collateral (as defined below) and is required to execute and deliver this Agreement; and

WHEREAS, pursuant to the Security Agreement, Grantor agreed to execute and deliver this Agreement in order to record such security interest with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the foregoing and for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, to evidence further the security interest granted by Grantor to the Notes Collateral Agent (for the benefit of the Notes Secured Parties) pursuant to the Security Agreement, Grantor hereby grants and pledges to the Notes Collateral Agent (for the benefit of the Notes Secured Parties) a security interest in all of Grantor’s right, title and interest in and to the following, in each case whether now owned or existing or hereafter acquired, (collectively, the “**Trademark Collateral**”), other than Excluded Assets:

- (i) all U.S. trademarks, service marks, designs, logos, indicia of origin, trade names, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, whether registered or unregistered (including, without limitation, those set forth on Schedule A annexed hereto) and all renewals and extensions thereof, and all rights corresponding thereto;
- (ii) all goodwill of the Grantor’s business connected with the use of and symbolized by any of the foregoing;
- (iii) the right to sue or otherwise recover for any past, present and future infringement, dilution, or other violation or impairment of any of the foregoing; and
- (iv) all Proceeds and Accessions with respect to any of the foregoing, including all license fees, royalties, income, payments, claims, damages and proceeds of suit, now or hereafter due and/or payable with respect to any of the foregoing.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 1(a) of the Security Agreement attach to any “intent-to-use” trademark or service mark applications for which a statement of use or an amendment to allege use has not been filed with the United States Patent and Trademark Office (but only until such statement or amendment is filed with and accepted by the United States Patent and Trademark Office), and solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest

therein would impair the validity or enforceability of, or void or cause the abandonment or lapse of, such application or any registration that issues from such intent-to-use application under applicable U.S. law.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Notes Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and conditions of which are hereby incorporated by reference as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF TO THE EXTENT SUCH PRINCIPLES WOULD CAUSE THE APPLICATION OF THE LAW OF ANOTHER STATE, EXCEPT TO THE EXTENT THAT THE UCC PROVIDES THAT THE PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR TRADEMARK COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK, IN WHICH CASE THE LAWS OF SUCH JURISDICTION SHALL GOVERN WITH RESPECT TO THE PERFECTION OF THE SECURITY INTEREST IN, OR THE REMEDIES WITH RESPECT TO, SUCH PARTICULAR TRADEMARK COLLATERAL.

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original for all purposes, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by telecopy or electronic transmission (including Adobe pdf file) shall be as effective as delivery of a manually executed counterpart of this Agreement.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
