## ASSIGNMENT OF INTELLECTUAL PROPERTY

This Assignment of Intellectual Property (this “Assignment”), effective as of November 12, 2021, (the “Effective Date”) is made and entered into by and between Stryten Canada Inc., a corporation organized under the *Nova Scotia Companies Act* whose registered office is at 8301 Keele Street, Maple, Ontario, Canada L0J1E0 (“Assignee”), and Galvion Power Systems Inc., a corporation organized under the *Canada Business Corporations Act* whose registered office is at 15 Fitzgerald Road, Suite 100 and Unit B-100, Ottawa, Province of Ontario, K2H 9G1, Canada (“Assignor”). Assignee and Assignor may be referred to herein individually as a “Party” and collectively as the “Parties”.

### RECITALS

**WHEREAS**, Assignor is the owner of the Intellectual Property identified in Schedule I, and all other rights arising out of, appurtenant thereto, or in respect of such Intellectual Property;

**WHEREAS**, Assignor and Assignee are, *inter alios*, parties to that certain Asset Purchase Agreement, dated October 27, 2021 (the “Asset Purchase Agreement”), pursuant to which, among other things, Assignor has agreed to sell, assign, convey, transfer and deliver all right, title and interest in and to the Purchased Assets, including the Intellectual Property set forth in Schedule I, to Assignee, in each case pursuant to the terms and subject to the conditions set forth in the Asset Purchase Agreement; and

**WHEREAS**, the Parties desire to memorialize the transfer of the Intellectual Property from Assignor to Assignee as of the Effective Date.

### AGREEMENT

**NOW, THEREFORE**, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor hereby agrees as follows:

1. Definitions. Except as specified to the contrary, all capitalized terms in this Assignment shall have the meanings assigned to them in the Asset Purchase Agreement.
2. Assignment of Intellectual Property. As of the Effective Date, Assignor hereby sells, assigns, conveys, transfers and delivers to Assignee all right, title and interest in and to (i) all Intellectual Property set forth on Schedule I to this Assignment together with the goodwill of the Business associated therewith (the “Purchased IP”); (ii) all common law and statutory right, title and interest in the Purchased IP, all rights of registration, maintenance, renewal and protection thereof, and the right to create derivative works thereof; (iii) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; (iv) all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to the Purchased IP, and (v) the right to assign the rights conveyed herein, the same to be held and enjoyed by Assignee for its own use and benefit, and for the benefit of its successors, assigns, and legal representatives. Furthermore, with respect to any and all trademarks, trademark applications, and trademark registrations identified in Schedule I hereto Assignor hereby assigns, sells, conveys, transfers and delivers to Assignee all such

trademarks, trademark applications, and trademark registrations together with the business of the Assignor, or portion thereof, to which such trademarks, trademark applications, and trademark registrations pertain, such business being ongoing and existing and Assignee being the successor to such business to which such trademarks, trademark applications, and trademark registrations pertain.

3. Recordation. Assignor hereby authorizes, as applicable, the Commissioner for Patents and the Commissioner for Trademarks in the United States Patent and Trademark Office, the Canadian Intellectual Property Office and the officials of corresponding entities or agency in any applicable jurisdictions to record and register this Assignment upon request from Assignee.
4. Further Acts. Assignor shall, at the request and expense of Assignee, timely execute and deliver any additional documents and perform such additional acts that may be necessary or desirable to assist Assignee (or its successors, assigns or legal representatives) in the implementation, recordation or perfection of this Assignment and Assignee's interest in and to the Purchased IP, including without limitation, in the (i) preparation and prosecution of any application for registration of the Purchased IP, and (ii) prosecution or defense of any interference, opposition, cancellation, infringement or other Action that may arise in connection with any of the Purchased IP, including testifying as to any facts relating to the Purchased IP and this Assignment.
5. Terms of the Asset Purchase Agreement. The representations, warranties, obligations and agreements contained in the Asset Purchase Agreement, and any limitations thereon, shall not be superseded, expanded or otherwise modified hereby but shall remain in full force and effect to the full extent provided therein. This Assignment is subject in all respects to the terms of the Asset Purchase Agreement and, in the event of any conflict or inconsistency between the terms of the Asset Purchase Agreement, the terms hereof, and/or the terms of any consents to assignment or other similar documents entered into by Assignor or the Assignee to facilitate the sale, assignment, conveyance, transfer, or delivery of the Purchased Assets to the Assignee, the terms of the Asset Purchase Agreement shall govern.
6. No Third Party Beneficiaries. This Assignment shall not confer any rights or remedies upon any Person other than Assignor and Assignee and their respective successors and permitted assigns.
7. Succession and Assignment. This Assignment and all of the provisions hereof shall be binding upon, inure to the benefit of and be enforceable by Assignor and Assignee and their respective successors and permitted assigns. Neither Party may assign its rights or obligations hereunder without the prior written consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed. No assignment shall relieve the assigning Party of any of its obligations hereunder.
8. Governing Law. The Parties hereby attorn to the governing law clause set out in Section 11.11(a) of the Asset Purchase Agreement.

9. Dispute Resolution. The Parties hereby attorn to the arbitration clause set out in Section 11.11(b) of the Asset Purchase Agreement.
10. Headings. The section headings contained in this Assignment are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Assignment.
11. Counterparts and Facsimile Signature. This Assignment may be executed in one or more counterparts (delivery of which may be by facsimile, or via email as a portable document format (.pdf)), each of which will be deemed an original, but all of which, taken together, shall constitute one and the same agreement.
