AMENDED AND RESTATED
INTELLECTUAL PROPERTY SECURITY AGREEMENT

This AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT (as from time to time amended, restated, amended and restated, modified, supplemented or extended from time to time, this “Agreement”), dated as of January 31, 2022, is made by and among (a) **NATIONAL BEEF PACKING COMPANY, LLC**, a limited liability company formed under the laws of the State of Delaware (together with its permitted successors and assigns, the “Borrower”), (b) each of its Subsidiaries signatory hereto (each such Person, individually a “Guarantor” and collectively, the “Guarantors”) (the Borrower and the Guarantors are hereinafter referred to, each individually, as a “Grantor” and, collectively with any other Person now or hereafter party hereto, the “Grantors”), and (c) **COBANK, ACB**, as administrative agent (in such capacity, the “Agent”), for its own benefit and the benefit of the Secured Parties, in consideration of the mutual covenants contained herein and benefits to be derived herefrom.

WITNESSETH:

WHEREAS, the Grantors are parties to that certain Fourth Amended and Restated Credit Agreement, dated as of November 10, 2021, by and among the Grantors, the lenders from time to time party thereto (collectively, the “Lenders” and, each individually, a “Lender”), and the Agent (as the same may be amended, amended and restated, restated, replaced, supplemented or otherwise modified from time to time, the “Credit Agreement”), pursuant to which the Lenders have agreed to make loans to the Borrower, and the Issuing Lender has agreed to issue Letters of Credit for the account of the Borrower, upon the terms and subject to the conditions specified in the Credit Agreement; and

WHEREAS, the Lenders and the Issuing Lender have conditioned their obligations under the Credit Agreement upon the execution and delivery by the Grantors of this Agreement, and the Grantors have agreed to enter into this Agreement;

NOW, THEREFORE, in consideration of the premises and in order to induce the Lenders and the Issuing Lender to enter into and extend credit under the Credit Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Grantors, each Grantor hereby agrees as follows:

1. DEFINED TERMS. Those capitalized terms and phrases used in this Agreement but not defined in this Agreement shall have the meanings ascribed to such terms in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN COLLATERAL. Each Grantor hereby unconditionally grants, assigns, and pledges to the Agent, on behalf of and for the ratable benefit of the Secured Parties, to secure the Secured Obligations, a continuing security interest (referred to in this Agreement as the “Security Interest”) in all of such Grantor’s right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the “Collateral”):

(a) (i) all of its trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks,

collective marks, logos and other source or business identifiers, and all goodwill of the business associated therewith, now existing or hereafter adopted or acquired including those referred to in Schedule I hereto, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, whether registered or not, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any other country or political subdivision thereof or otherwise, and all common-law rights relating to the foregoing, and (ii) the right to obtain all reissues, extensions or renewals of the foregoing (collectively referred to as the “Trademarks”);

(b) all Trademark licenses for the grant by or to such Grantor of any right to use any Trademark, including each Trademark license referred to in Schedule I hereto;

(c) all of its patents, utility models and statutory invention registrations, now existing or hereafter adopted or acquired including those referred to in Schedule II hereto, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, whether registered, issued, granted or not, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any other country or political subdivision thereof or otherwise, and all common-law rights relating to the foregoing, and (ii) the right to obtain all reissues, extensions or renewals of the foregoing (collectively referred to as the “Patents”);

(d) all other intellectual property of Grantor, including without limitation, all inventions, trade secrets, know-how, domain names (including domain names referred to in Schedule III hereto) or other intellectual property not described in this Security Agreement (collectively referred to as the “Other Intellectual Property”);

(e) all Patent licenses for the grant by or to such Grantor of any right to use any Patent, including each Patent license referred to in Schedule II hereto;

(f) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clauses (a), (c) and (d) and, to the extent applicable, clauses (b) and (e);

(g) all goodwill of the business connected with the use of, and symbolized by, each Trademark, each Trademark license, each Patent and each Patent license;

(h) the right to sue third parties for past, present, and future infringements, dilution, damage or for any claim related to or of any Collateral described in clauses (a), (c) and (d) and, to the extent applicable, clauses (b) and (e); and

(i) all products and proceeds of, and rights associated with, the foregoing, including any claim by such Grantor against third parties for past, present or future infringement, dilution, damage or for any claim related to or of any Trademark, Trademark registration, Trademark license, Patent, Patent registration, Patent license or Other Intellectual Property or for any injury to the goodwill associated with the use of any such Trademark or Patent or for breach

or enforcement of any Trademark license or Patent license and all rights corresponding thereto throughout the world.

3. SECURITY FOR OBLIGATIONS. This Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by the Grantors to the Lenders whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. SECURITY AGREEMENT.

(a) This Agreement has been executed and delivered by the Grantors for the purpose of registering the security interest of the Agent, for the benefit of the Secured Parties, in the Collateral with the United States Patent and Trademark Office, or other similar office and corresponding offices in other countries of the world. The Security Interest granted pursuant to this Agreement is granted in conjunction with the security interests granted to the Agent, on behalf of and for the ratable benefit of the Secured Parties, pursuant to that certain Fourth Amended and Restated Security Agreement, dated as of November 10, 2021, by and among the Grantors and the Agent (the "Security Agreement"). Each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent and the Lenders with respect to the Security Interest in the Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Agreement and the Security Agreement, the Security Agreement shall control.

(b) The Grantors and the Agent hereby acknowledge and agree that the security interest created hereby in the Collateral shall not include, and the security interest granted herein shall not attach to, any asset (but not the proceeds thereof) subject to a rule of law, statute or regulation or of a lease agreement or any general intangible (including a contract, permit, license or franchise) or a Permitted Lien, where the grant of such security interest would invalidate or constitute a breach or violation of any such rule of law, statute, regulation, lease agreement, or general intangible or agreement or agreements creating or giving rise to such Permitted Lien, provided that the limitation set forth in this sentence shall (x) exist only for so long as such rule of law, statute, regulation, lease agreement or general intangible or agreement and the Permitted Lien created therein continue to be effective (and, upon the cessation, termination, expiration of such rule of law, statute, regulation, lease agreement or general intangible or Permitted Lien, or if any such rule of law, statute or regulation is no longer applicable, the security interest granted herein shall be deemed to have automatically attached to such asset) and (y) not apply with respect to any asset if and to the extent that the prohibition or restriction on the security interest in and to such asset granted in this Agreement is rendered ineffective under Sections 9-406, 9 407, 9-408, or 9-409 of the UCC.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks or patents, the provisions of this Agreement shall automatically apply thereto. Without limiting any Grantor's obligations under this Section, each Grantor hereby authorizes the Agent unilaterally to modify this Agreement by amending the schedules hereto to include any such

new trademark or patent rights of any Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend the schedules hereto shall in any way affect, invalidate or detract from the Agent's and other Secured Parties' continuing security interest in all Collateral, whether or not listed on any schedule attached hereto.

6. **COUNTERPARTS.** This Agreement may be executed in counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when the Agent has received counterparts bearing the signatures of all parties hereto. Delivery of a signature page of this Agreement by telecopy or other electronic means shall be effective as delivery of a manually executed counterpart of such agreement.

7. **CHOICE OF LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, UNLESS OTHERWISE SPECIFIED, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF COLORADO, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES (BUT GIVING EFFECT TO FEDERAL LAWS RELATING TO NATIONAL BANKS).**

8. **INCORPORATION OF CREDIT AGREEMENT PROVISIONS.** Section 11.11 of the Credit Agreement is hereby incorporated into this Agreement by reference and shall have the same force and effect as if expressly set forth herein.

9. **AMENDMENT AND RESTATEMENT.** This Agreement amends and restates in their entirety (a) that certain Intellectual Property Security Agreement, dated as of September 26, 2013, by and among the Grantors party thereto and the Agent (the "2013 IP Security Agreement"), (b) that certain Supplemental Intellectual Property Security Agreement, dated as of June 9, 2017, by and among the Grantors party thereto and the Agent (the "2017 IP Security Agreement"), and (c) that certain Intellectual Property Security Agreement, dated as of September 27, 2019, by and among the Grantors party thereto and the Agent (the "2019 IP Security Agreement", and, together with the 2013 IP Security Agreement and the 2017 IP Security Agreement, collectively the "Existing IP Security Agreements", and each individually, an "Existing IP Security Agreement"). This Agreement does not constitute and shall not be construed to evidence a novation of the Existing IP Security Agreements, it being the intention of the parties hereto that this Agreement is an amendment and restatement (but not extinguishment) of the Existing IP Security Agreements. The Grantors reaffirm the Liens granted pursuant to the Existing IP Security Agreements to the Agent, for the benefit of various secured parties, which Liens shall continue in full force and effect during the term of this Agreement and any renewals or extensions thereof.
