Section 1. Higher Vote for Business Combinations. In addition to any affirmative vote required by law or these Restated Articles of Incorporation, and except as otherwise expressly provided in Section 3 of this Article VII:

A. any merger or consolidation of the Corporation or any Subsidiary (as hereinafter defined) with (i) any Interested Stockholder (as hereinafter defined) or (ii) any other corporation (whether or not itself an Interested Stockholder) which is, or after such merger or consolidation would be, an Affiliate (as hereinafter defined) of an Interested Stockholder; or

B. any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions) to or with any Interested Stockholder or any Affiliate of any Interested Stockholder of any assets of the Corporation or any Subsidiary having an aggregate Fair Market Value of \$5,000,000 or more; or

C. the issuance or transfer by the Corporation or any Subsidiary (in one transaction or a series of transactions) of any securities of the Corporation or any Subsidiary to any Interested Stockholder or any Affiliate of any Interested Stockholder in exchange for cash, securities or other property (or a combination thereof) having an aggregate Fair Market Value of \$5,000,000 or more; or

D. the adoption of any plan or proposal for the liquidation or dissolution of the Corporation proposed by or on behalf of an Interested Stockholder or any Affiliate of any Interested Stockholder; or

E. any reclassification of securities (including any reverse stock split), or recapitalization of the Corporation, or any merger or consolidation of the Corporation with any of its Subsidiaries or any other transaction (whether or not with or into or otherwise involving an Interested Stockholder) which has the effect, directly or indirectly, of increasing the proportionate share of the outstanding shares of any class of equity or convertible securities of the Corporation or any Subsidiary which is directly or indirectly owned by any Interested Stockholder or any Affiliate of any Interested Stockholder;

shall require the affirmative vote of the holders of at least eighty percent (80%) of the voting power of the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors (the "Voting Stock"), voting together as a single class, including the affirmative vote of the holders of not less than fifty percent (50%) of the outstanding Voting Stock not owned directly or indirectly by any Interested Stockholder. Such affirmative vote shall be required notwithstanding the fact that no vote may be required, or that a lesser percentage

may be specified, by law, in any other Article of these Restated Articles of Incorporation or in any agreement with any national securities exchange or otherwise.

Section 2. Definition of "Business Combination". The term "Business Combination" as used in this Article VII shall mean any transaction which is referred to in any one or more of paragraphs A through E of Section 1.

Section 3. When Higher Vote Is Not Required. The provisions of Section I of this Article VII shall not be applicable to any particular Business Combination, and such Business Combination shall require only such affirmative vote as is required by law and any other provision of these Restated Articles of Incorporation if in the case of a Business Combination that does not involve any cash or other consideration being received by the stockholders of the Corporation, solely in their capacities as stockholders, the condition specified in the following paragraph A is met, or if in the case of any other Business Combination, the conditions specified in either of the following paragraphs A or B are met;

A. Approval by Continuing Directors. The Business Combination shall have been approved by a majority of the Continuing Directors (as hereinafter defined).

B. Price and Procedure Requirements. All of the following conditions shall have been met:

(i) The aggregate amount of the cash and the Fair Market Value (as hereinafter defined) as of the date of the consummation of the Business Combination (the "Consummation Date") of the consideration other than cash to be received per share by holders of Common Stock in such Business Combination shall be an amount at least equal to the higher of the following (it being intended that the requirements of this paragraph B(i) shall be required to be met with respect to all shares of Common Stock outstanding, whether or not the Interested Stockholder has previously acquired any shares of the Common Stock):

(a) the highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers' fees) paid by the Interested Stockholder for any shares of Common Stock acquired by it (1) within the two-year period immediately prior to the first public announcement of the proposal of the Business Combination (the "Announcement Date") or (2) in the transaction in which it became an Interested Stockholder, whichever is higher, plus interest compounded annually from the date on which the Interested Stockholder became an Interested Stockholder through the Consummation Date at the prime rate of interest of Citibank, N.A. (or other major bank headquartered in New York City selected by a majority of the Continuing Directors) from time to time in effect in New York City, less the aggregate amount of any cash dividends paid, and the Fair Market Value of any dividends paid in other than cash, per share of Common Stock from the date on which the Interested Stockholder became an Interested Stockholder through the Consummation Date in an amount up to but not exceeding the amount of

such interest payable per share of Common Stock; or

(b) the Fair Market Value per share of Common Stock on the Announcement Date.

(ii) The aggregate amount of the cash and the Fair Market Value as of the Consummation Date of the consideration other than cash to be received per share by holders of shares of any class of outstanding Voting Stock, other than the Common Stock, in such Business Combination shall be an amount at least equal to the highest of the following (it being intended that the requirements of this paragraph B(ii) shall be required to be met with respect to all shares of every such other class of outstanding Voting Stock, whether or not the Interested Stockholder has previously acquired any shares of a particular class of Voting Stock):

(a) the highest per share price (including any brokerage commissions, transfer taxes and soliciting dealers' fees) paid by the Interested Stockholder for any shares of such class of Voting Stock acquired by it (1) within the two-year period immediately prior to the Announcement Date or (2) in the transaction in which it became an Interested Stockholder, whichever is higher, plus interest compounded annually from the date on which the Interested Stockholder became an Interested Stockholder through the Consummation Date at the prime rate of interest of Citibank, N.A. (or other major bank headquartered in New York City selected by a majority of the Continuing Directors) from time to time in effect in New York City, less the aggregate amount of any cash dividends paid, and the Fair Market Value of any dividends paid in other than cash, per share of such class of Voting Stock from the date on which the Interested Stockholder became an Interested Stockholder through the Consummation Date in an amount up to but not exceeding the amount of such interest payable per share of such class of Voting Stock;

(b) the Fair Market Value per share of such class of Voting Stock on the Announcement Date; or

(c) The highest preferential amount per share, if any, to which the holders of shares of such class of Voting Stock are entitled in the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation.

(iii) The consideration to be received by holders of a particular class of outstanding Voting Stock (including Common Stock) shall be in cash or in the same form as the Interested Stockholder has previously paid for shares of such class of Voting Stock. If the Interested Stockholder has paid for shares of any class of Voting Stock with varying forms of consideration, the form of consideration for such class of Voting Stock shall be either cash or the form used to acquire the largest number of shares of such class of Voting Stock previously acquired by it.

(iv) After such Interested Stockholder has become an Interested Stockholder and prior to the consummation of such Business Combination: (a) except as approved by a majority of the Continuing Directors, there shall have been no failure to declare and pay at the regular date therefor any full quarterly dividends (whether or not cumulative) on any outstanding Preferred Stock; (b) there shall have been (1) no reduction in the annual rate of dividends paid on the Common Stock (except as necessary to reflect any subdivision of the Common Stock), except as approved by a majority of the Continuing Directors, and (2) an increase in such annual rate of dividends as necessary to reflect any reclassification (including any reverse stock split), recapitalization, reorganization or any similar transaction which has the effect of reducing the number of outstanding shares of the Common Stock, unless the failure so to increase such annual rate is approved by a majority of the Continuing Directors; and (c) such Interested Stockholder shall have not become the beneficial owner of any additional shares of Voting Stock except as part of the transaction which results in such Interested Stockholder becoming an Interested Stockholder.

(v) After such Interested Stockholder has become an Interested Stockholder, such Interested Stockholder shall not have received the benefit, directly or indirectly (except proportionately as a stockholder), of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by the Corporation.

(vi) A proxy or information statement describing the proposed Business Combination and complying with the requirements of the Securities Exchange Act of 1934 and the rules and regulations thereunder (or any subsequent provisions replacing such Act, rules or regulations) shall be mailed to all stockholders of the Corporation at least 30 days prior to the consummation of such Business Combination (whether or not such proxy or information statement is required to be mailed pursuant to such Act or subsequent provisions).

Section 4. Certain Definitions. For the purposes of this Article VII:

- A. A "person" shall mean any individual, firm, corporation or other entity.
- B. "Interested Stockholder" shall mean any person (other than the Corporation or any Subsidiary) who or which:
- (i) is the beneficial owner, directly or indirectly, of more than 10% of the voting power of the outstanding Voting Stock; or
 - (ii) is an Affiliate of the Corporation and at any time within the two-year period immediately prior to the date in question was the beneficial owner, directly or indirectly, of 10% or more of the voting power of the then outstanding Voting Stock;

(iii) is an assignee of or has otherwise succeeded to any shares of Voting Stock which were at any time within the two-year period immediately prior to the date in question beneficially owned by any Interested Stockholder, if such assignment or succession shall have occurred in the course of a transaction or series of transactions not involving a public offering within the meaning of the Securities Act of 1933.

C. A person shall be a "beneficial owner" of any Voting Stock:

(i) which such person or any of its Affiliates or Associates (as hereinafter defined) beneficially owns, directly or indirectly; or

(ii) which such person or any of its Affiliates or Associates has (a) the right to acquire (whether such right is exercisable immediately or only after the passage of time), pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise, or (b) the right to vote pursuant to any agreement, arrangement or understanding; or

(iii) which are beneficially owned, directly or indirectly, by any other person with which such person or any of its Affiliates or Associates has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of any shares of Voting Stock.

D. For the purposes of determining whether a person is an Interested Stockholder pursuant to paragraph B of this Section 4, the number of shares of Voting Stock deemed to be outstanding shall include shares deemed owned through application of paragraph C of this Section 4 but shall not include any other shares of Voting Stock which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

E. "Affiliate" or "Associate" shall have the respective meanings ascribed to such terms in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as in effect on July 1, 1983.

F. "Subsidiary" means any corporation of which a majority of any class of equity security is owned, directly or indirectly, by the Corporation; provided, however, that for the purposes of the definition of Interested Stockholder set forth in paragraph B of this Section 4, the term "Subsidiary" shall mean only a corporation of which a majority of each class of equity security is owned, directly or indirectly, by the Corporation.

G. "Continuing Director" means any member of the Board of Directors of the Corporation (the "Board") who is unaffiliated with the Interested Stockholder and was a member of the Board prior to the time that the Interested Stockholder became an Interested Stockholder, and any successor of a Continuing Director who is unaffiliated with the Interested Stockholder and is recommended to succeed a Continuing Director by a majority of Continuing Directors then on the Board.

H. "Fair Market Value" means: (i) in the case of stock, the highest closing sale price during the 30-day period immediately preceding the date in question of a share of such stock on the Composite Tape for New York Stock Exchange-Listed Stocks, or, if such stock is not quoted on the Composite Tape, on the New York Stock Exchange, or, if such stock is not listed on such Exchange, on the principal United States securities exchange registered under the Securities Exchange Act of 1934 on which such stock is listed, or, if such stock is not listed on any such exchange, the highest closing bid quotation with respect to a share of such stock during the 30-day period preceding the date in question on the National Association of Securities Dealers, Inc., Automated Quotations System or any system then in use, or if no such quotations are available, the fair market value on the date in question of a share of such stock as determined by a majority of the Continuing Directors in good faith; and (ii) in the case of property other than cash or stock, the fair market value of such property on the date in question as determined by a majority of the Continuing Directors in good faith.

I. In the event of any Business Combination in which the Corporation survives, the phrase "consideration other than cash to be received" as used in paragraphs B(i) and (ii) of Section 3 of this Article VII shall include the shares of Common Stock and/or the shares of any other class of outstanding Voting Stock retained by the holders of such shares.

Section 5. Powers of Continuing Directors. A majority of the Continuing Directors of the Corporation shall have the power and duty to determine, on the basis of information known to them after reasonable inquiry, all facts necessary to determine compliance with this Article VII, including without limitation (A) whether a person is an Interested Stockholder, (B) the number of shares of Voting Stock beneficially owned by any person, (C) whether a person is an Affiliate or Associate of another, (D) whether the requirements of paragraph B of Section 3 have been met with respect to any Business Combination, and (E) whether the assets which are the subject of any Business Combination have, or the consideration to be received for the issuance or transfer of securities by the Corporation or any Subsidiary in any Business Combination has, an aggregate Fair Market Value of \$5,000,000 or more; and the good faith determination of a majority of the Continuing Directors on such matters shall be conclusive and binding for all the purposes of this Article VII.

Section 6. No Effect on Fiduciary Obligations of Interested Stockholders. Nothing contained in this Article VII shall be construed to relieve the Board of Directors or any Interested Stockholder from any fiduciary obligation imposed by law.

Section 7. Amendment, Repeal, etc. Notwithstanding any other provisions of these Restated Articles of Incorporation or the Bylaws of the Corporation (and notwithstanding the fact that a lesser percentage may be specified by law, these Restated Articles of Incorporation or the Bylaws of the Corporation), the affirmative vote of the holders of eighty percent (80%) or more of the voting power of the shares of the then outstanding Voting Stock, voting together as a single class, including the affirmative vote of the holders of not less than fifty percent (50%) of the Voting Stock not owned directly or indirectly by any Interested Stockholder, shall be required to amend or repeal, or adopt any provisions inconsistent with, this Article VII of these

Restated Articles of Incorporation; provided, however, that the preceding provisions of this Section 7 shall not be applicable to any amendment to this Article VII of these Restated Articles of Incorporation, and such amendment shall require only such affirmative vote as is required by law and any other provisions of these Restated Articles of Incorporation, if such amendment shall have been approved by a majority of the Continuing Directors.

ARTICLE VIII

Board of Directors

Section 1. Authority and Size of Board. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. The number of directors of the Corporation (exclusive of directors to be elected by the holders of any one or more series of the Preferred Stock voting separately as a class or classes) that shall constitute the Board of Directors shall be ten (10), unless otherwise determined from time to time by resolution adopted by the affirmative vote of:

- A. At least eighty percent (80%) of the Board of Directors, and
- B. A majority of the Continuing Directors (as hereinafter defined).

Section 2. Classification of Board and Filling of Vacancies. Subject to applicable law, the directors shall be divided into three (3) classes, each class to be as nearly equal in number as possible. The term of office of Directors of the first class shall expire at the annual meeting of stockholders to be held in 1984 and until their respective successors are duly elected and qualified or their resignation or removal. The term of office of Directors of the second class shall expire at the annual meeting of stockholders to be held in 1985 and until their respective successors are duly elected and qualified or their resignation or removal. The term of office of Directors of the third class shall expire at the annual meeting of stockholders to be held in 1986 and until their respective successors are duly elected and qualified or their resignation or removal. Subject to the foregoing, at each annual meeting of stockholders, commencing at the annual meeting to be held in 1984, the successors to the class of directors whose term shall then expire shall be elected to hold office for a term expiring at the third succeeding annual meeting and until their successors shall be duly elected and qualified or their resignation or removal. Any vacancies in the Board of Directors for any reason, and any newly created directorships resulting from any increase in the number of directors, may be filled only by the Board of Directors, acting by vote of eighty percent (80%) of the directors then in office, although less than a quorum, and any directors so chosen shall hold office until the next annual meeting of stockholders and until their respective successors shall be duly elected and qualified or their resignation or removal. No decrease in the number of directors shall shorten the term of any incumbent director. Notwithstanding the foregoing, and except as otherwise required by law, whenever the holders of any one or more series of Preferred Stock shall have the right, voting separately as a class, to elect one or more directors of the Corporation, (i) the terms of the director or directors elected by such holders shall expire at the next succeeding annual meeting of stockholders and vacancies created with respect to any directorship of the directors so elected may be filled in the manner specified by such Preferred Stock, and (ii) this Article VIII shall be deemed to be construed and/or modified so as to permit the full implementation of the terms and

conditions relating to election of directors of any series of Preferred Stock that has been or may be designated by the Board of Directors.

Section 3. Removal of Directors. Notwithstanding any other provisions of these Restated Articles of Incorporation or the Bylaws of the Corporation (and notwithstanding the fact that some lesser percentage may be specified by law, these Restated Articles of Incorporation or the Bylaws of the Corporation), any one or more directors of the Corporation may be removed at any time, with or without cause, but only by either (1) the affirmative vote of a majority of the Continuing Directors and at least eighty percent (80%) of the Board of Directors or (2) the affirmative vote, at a meeting of the stockholders called for that purpose, of the holders of at least eighty percent (80%) of the voting power of the then outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors (the "Voting Stock") voting together as a single class.

Notwithstanding the foregoing, and except as otherwise required by law, whenever the holders of any one or more series of Preferred Stock shall have the right, voting separately as a class, to elect one or more directors of the Corporation, the provision of this Section 3 shall not apply with respect to the director or directors elected by such holders of Preferred Stock.

Section 4. Certain Definitions. For the purposes of this Article VIII:

A. A "person" shall mean any individual, firm, corporation or other entity;

B. "Interested Stockholder" shall mean any person (other than the Corporation or any Subsidiary) who or which:

(i) is the beneficial owner, directly or indirectly, of more than ten percent (10%) of the voting power of the outstanding Voting Stock; or

(ii) is an Affiliate of the Corporation and at any time within the two-year period immediately prior to the date in question was the beneficial owner, directly or indirectly, of ten percent (10%) or more of the voting power of the then outstanding Voting Stock; or

(iii) is an assignee of or has otherwise succeeded to any shares of Voting Stock which were at any time within the two-year period immediately prior to the date in question beneficially owned by any Interested Stockholder, if such assignment or succession shall have occurred in the course of a transaction or series of transactions not involving a public offering within the meaning of the Securities Act of 1933.

C. A person shall be a "beneficial owner" of any Voting Stock:

(i) which such person or any of its Affiliates or Associates (as hereinafter defined) beneficially owns, directly or indirectly; or

(ii) which such person or any of its Affiliates or Associates has (a) the right to acquire (whether such right is exercisable immediately or only after the passage of time), pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise, or (b) the right to vote pursuant to any agreement, arrangement or understanding; or

(iii) which are beneficially owned, directly or indirectly, by any other person with which such person or any of its Affiliates or Associates has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of any shares of Voting Stock.

D. For the purposes of determining whether a person is an Interested Stockholder pursuant to paragraph B of this Section 4, the number of shares of Voting Stock deemed to be outstanding shall include shares deemed owned through application of paragraph C of this Section 4 but shall not include any other shares of Voting Stock which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

E. "Affiliate" or "Associate" shall have the respective meanings ascribed to such terms in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as in effect on July 1, 1983.

F. "Subsidiary" means any corporation of which a majority of any class of equity security is owned, directly or indirectly, by the Corporation; provided, however, that for the purposes of the definition of Interested Stockholder set forth in paragraph B of this Section 4, the term "Subsidiary" shall mean only a corporation of which a majority of each class of equity security is owned, directly or indirectly, by the Corporation.

G. "Continuing Director" means any member of the Board of Directors of the Corporation (the "Board") who is unaffiliated with the Interested Stockholder and was a member of the Board prior to the time that the Interested Stockholder became an Interested Stockholder, and any successor of a Continuing Director who is unaffiliated with the Interested Stockholder and is recommended to succeed a Continuing Director by a majority of Continuing Directors then on the Board.

Section 5. Powers of Continuing Directors. A majority of the Continuing Directors of the Corporation shall have the power and duty to determine, on the basis of information known to them after reasonable inquiry, all facts necessary to determine compliance with this Article VIII, including without limitation (A) whether a person is an Interested Stockholder, (B) the number of shares of Voting Stock beneficially owned by any person, and (C) whether a person is an Affiliate or Associate of another; and the good faith determination of a majority of the Continuing Directors on such matters shall be conclusive and binding for all the purposes of this Article VIII.

Section 6. Amendment, Repeal, etc. Notwithstanding any other provisions of these Restated Articles of Incorporation or the Bylaws of the Corporation (and notwithstanding the

fact that a lesser percentage may be specified by law, these Restated Articles of Incorporation or the Bylaws of the Corporation), the affirmative vote of the holders of eighty percent (80%) or more of the voting power of the shares of the then outstanding Voting Stock, voting together as a single class, shall be required to amend or repeal, or adopt any provisions inconsistent with, this Article VIII of these Restated Articles of Incorporation; provided, however, that the preceding provisions of this Section 6 shall not be applicable to any amendment to this Article VIII of these Restated Articles of Incorporation, and such amendment shall require only such affirmative vote as is required by law and any other provisions of these Restated Articles of Incorporation, if such amendment shall have been approved by a majority of the Continuing Directors.

ARTICLE IX

Board Evaluation of Certain Offers

Section 1. Matters to be Evaluated. The Board of Directors of this Corporation shall not approve, adopt or recommend any offer of any person or entity, other than the Corporation, to make a tender or exchange offer for any capital stock of the Corporation, to merge or consolidate the Corporation with any other entity or to purchase or otherwise acquire all or substantially all of the assets or business of the Corporation unless and until the Board of Directors shall have first evaluated the offer and determined that the offer would be in compliance with all applicable laws and that the offer is in the best interests of the Corporation and its stockholders. In connection with its evaluation as to compliance with laws, the Board of Directors may seek and rely upon an opinion of legal counsel independent from the offeror and it may test such compliance with laws in any state or federal court or before any state or federal administrative agency which may have appropriate jurisdiction. In connection with its evaluation as to the best interests of the Corporation and its stockholders, the Board of Directors shall consider all factors which it deems relevant, including without limitation: (i) the adequacy and fairness of the consideration to be received by the Corporation and/or its stockholders under the offer considering historical trading prices of the Corporation's stock, the price that might be achieved in a negotiated sale of the Corporation as a whole, premiums over trading prices which have been proposed or offered with respect to the securities of other companies in the past in connection with similar offers and the future prospects for this Corporation and its business; (ii) the potential social and economic impact of the offer and its consummation on this Corporation, its employees, customers and vendors; and (iii) the potential social and economic impact of the offer and its consummation on the communities in which the Corporation and any subsidiaries operate or are located.

Section 2. Amendment, Repeal, etc. Notwithstanding any other provision of these Restated Articles of Incorporation or the Bylaws of the Corporation to the contrary (and notwithstanding the fact that a lesser percentage may be specified by law, these Restated Articles of Incorporation or the Bylaws of the Corporation), the affirmative vote of the holders of eighty percent (80%) or more of the outstanding shares of capital stock entitled to vote for the election of directors, voting together as a single class, shall be required to amend, repeal, or adopt any provision inconsistent with, this Article IX; provided, however, that this Article IX shall be of no force or effect if the proposed amendment, repeal or other action has been recommended for approval by at least eighty percent (80%) of all directors then holding office.

ARTICLE X

No director of the Corporation shall be personally liable to the Corporation or any of its shareholders for monetary damages for a breach of fiduciary duty as a director. However, this Article X shall not eliminate or limit the liability of a director for any breach of duty, act or omission for which the elimination or limitation of liability is not permitted by the Michigan Business Corporation Act, as amended from time to time. No amendment, alteration, modification, repeal or adoption of any provision in these Restated Articles of Incorporation inconsistent with this Article X shall have any effect to increase the liability of any director of the Corporation with respect to any act or omission of such director occurring prior to such amendment, alteration, modification, repeal or adoption.

ARTICLE XI

The Bylaws of the Corporation may provide that, to the extent provided in such Bylaws, each director of the Corporation shall be elected by the affirmative vote of a majority of the votes cast with respect to the director at any meeting for the election of directors at which a quorum is present, subject to the terms and conditions set forth within such Bylaws. For purposes of clarity, the provisions of the foregoing sentence do not apply to vacancies or newly created directorships filled by a vote of the Board of Directors.

These Restated Articles of Incorporation were duly adopted on October 11, 2021, in accordance with the provisions of Section 642 of the Michigan Business Corporation Act by the shareholders at a meeting in accordance with section 611(3) of the Act.

The filing of these Restated Articles of Incorporation shall be effective November 1, 2021.

Signed this 19th day of October, 2021.
