TRADEMARK ASSIGNMENT

This trademark assignment is made on the 1st day of December 2021 by and between PLR IP Holdings, LLC, a limited liability company organized under the laws of the State of Delaware, (“Assignor”) and Polaroid IP B.V., a company organized under the laws of the Netherlands (“Assignee”).

WHEREAS, Assignor owns the trademark registrations as set forth in Exhibit 1 hereto together with all common and civil law rights therein as well as all goodwill associated therewith and symbolized thereby (collectively, the “Trademarks”).

WHEREAS, Assignor has agreed to transfer to Assignee all of Assignor’s right, title, and interest in the Trademarks in the United States and throughout the world, including the portion of Assignor’s business to which the Trademarks pertain.

NOW, THEREFORE, in consideration and for the promises and covenants and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor agrees to assign and hereby assigns, transfers, and conveys to Assignee, its successors and assigns, all of Assignor’s right, title and interest throughout the world in, to, and under the Trademarks together with

- (i) all common and civil law rights therein;
 - (ii) the goodwill of the business connected with the use of and symbolized by the Trademarks;
- and
- (iii) the portion of Assignor’s business to which the Trademarks pertain;

including without limitation any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including without limitation all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach or default, together with the right but not the obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any other country or countries foreign to the United States whose duty it is to issue trademark registrations as aforesaid, to issue any registrations to Assignee, its successors, and assigns, as assignee of the entire interest herein assigned.

[Signatures appear on next page]

IN WITNESS WHEREOF, this Trademark Assignment is effective as of the date first mentioned above.
