## TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of February 25, 2022 (this "Agreement") is made by R. R. DONNELLEY & SONS COMPANY, (the "Pledgor"), in favor of WELLS FARGO BANK, NATIONAL ASSOCIATION, in its capacity as successor collateral agent to Bank of America, N.A., pursuant to the Amended Credit Agreement (in such capacity, together with its successors and permitted assigns, the "ABL Administrative Agent").

**WHEREAS**, the Pledgor is a party to a Security Agreement dated as of October 15, 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), by and among the Grantor, the other grantors party thereto and Bank of America, N.A. as prior ABL Administrative Agent pursuant to which the Pledgor pledged and granted a lien on and security interest in the Pledged Collateral to the ABL Administrative Agent for the benefit of the Secured Parties, including in the Trademark Collateral (as defined below); and

**WHEREAS**, pursuant to the Security Agreement, Pledgor has agreed to execute and deliver this Agreement in order to record such security interest with the United States Patent and Trademark Office.

**NOW, THEREFORE**, in consideration of the foregoing and for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, the Pledgor hereby agrees with the ABL Administrative Agent as follows:

**SECTION 1. Defined Terms.** Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement. For purposes of this Agreement, "Trademarks" shall mean, collectively, all trademarks (including service marks), slogans, logos, certification marks, trade dress, uniform resource locators (URL's), domain names, corporate names, brand names, and trade names, whether registered or unregistered, and all registrations and applications for the foregoing (whether statutory or common law and whether established, applied for or registered in the United States or any other country or any political subdivision thereof), together with any and all (i) goodwill associated with the foregoing, (ii) rights and privileges arising under applicable law with respect to any of the foregoing, (iii) extensions and renewals thereof and amendments thereto, (iv) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements, dilutions or violations thereof, (v) rights corresponding thereto throughout the world and (vi) rights to sue for past, present and future infringements, dilutions or violations thereof.

**SECTION 2. Grant of Security Interest in Trademark Collateral.** As collateral security for the payment and performance in full of all the Obligations, the Pledgor hereby pledges and grants to the ABL Administrative Agent for the benefit of the Secured Parties a lien on and security interest in all of the right, title and interest of such Pledgor in, to and under all the following property, in all cases wherever located, whether now existing or hereafter arising or acquired from time to time (collectively, the "Trademark Collateral"):

- (a) all Trademarks of the Pledgor, including those listed on Schedule I attached hereto; and
- (b) all Proceeds of any and all of the foregoing.

Notwithstanding anything to the contrary contained in clauses (a) or (b) above, the security interest created by this Agreement shall not extend to any Excluded Property, including any United States trademark or service mark application filed on the basis of the Pledgor's intent-to-use such mark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing and acceptance by the U.S. Patent and Trademark Office of a verified "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto.

SECTION 3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the ABL Administrative Agent pursuant to the Security Agreement and Pledgor hereby acknowledges and affirms that the rights and remedies of the ABL Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the ABL Administrative Agent shall otherwise determine.

SECTION 4. Termination. Upon the payment in full of the Obligations and termination of the Security Agreement, this Agreement shall terminate, and the ABL Administrative Agent shall execute, acknowledge, and deliver to the Pledgor an instrument in writing in recordable form releasing the lien and security interest in the Trademark Collateral granted under this Agreement.

SECTION 5. Intercreditor Agreement Governs. Notwithstanding anything herein to the contrary, the lien and security interest granted to the ABL Administrative Agent pursuant to this Agreement and the exercise of any right or remedy in respect of the Trademark Collateral by the ABL Administrative Agent (or any Secured Party) hereunder are subject to the provisions of the ABL Intercreditor Agreement and in the event of any conflict between the terms of the ABL Intercreditor Agreement and this Agreement, the terms of the ABL Intercreditor Agreement shall govern and control with respect to the exercise of any such right or remedy.

SECTION 6. Counterparts. This Agreement may be in the form of an electronic record and may be executed using electronic signatures (including, without limitation, facsimile, tif and .pdf) and shall be considered an original. For purposes hereof, the words "execution," "execute," "executed," "signed," "signature" and words of like import shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formulations on electronic platforms, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the

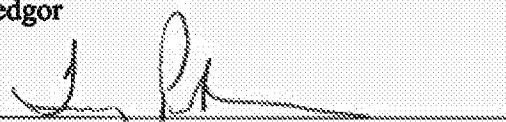

Uniform Electronic Transactions Act. This Agreement may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Agreement. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the ABL Administrative Agent of a manually signed paper communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed communication converted into another format, for transmission, delivery and/or retention.

SECTION 7. Governing Law. This Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise, shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

**IN WITNESS WHEREOF**, the Pledgor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
