TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (this "Agreement") is made effective as of January 1, 2022 (the "Effective Date") by and between EaglePicher Technologies, LLC, a Delaware limited liability company (the "Assignor"), and EaglePicher Energy Products, ULC, an Alberta unlimited liability corporation (the "Assignee") (each of the Assignor and the Assignee, a "Party").

Section 1 Definitions. All initially-capitalized terms used but not otherwise defined in this Agreement will have the meanings ascribed to such terms in that certain Intellectual Property Sale and License Agreement, by and between the Parties, dated January 1, 2022 (the "IP Sale Agreement"), and the rules of construction set forth in Section 8.7 of the IP Sale Agreement will be applied wherever appropriate herein.

Section 2 Assignment. The Assignor hereby sells, transfers, assigns, conveys, and delivers to the Assignee, and the Assignee hereby purchases, acquires, and accepts from the Assignor, all of the Assignor's right, title, and interest in, to and under the trademarks listed on Exhibit A hereto (the "Trademarks"), including all (i) common law rights and rights of priority with respect to the same, (ii) rights to collect royalties, income and proceeds in connection therewith, (iii) rights to sue and recover for past, present, and future infringement, dilution, or other violation of such Trademarks against any Persons (regardless of whether or not such claims and causes of action have been asserted by the Assignor), (iv) the right to claim, retain and recover damages, lost profits and any other remedy in respect of the aforesaid, (v) goodwill associated therewith, and (vi) equivalent rights that, now or hereafter, may be secured under the laws of any jurisdiction, including all registrations, renewals, extensions, combinations and applications for any of the rights referred to above in this Section 2.

Section 3 Recordation. The Assignor authorizes and requests that the United States Patent and Trademark Office, and the corresponding entities or agencies in any foreign countries or multinational authorities (as applicable), record the Assignee as the owner of the Trademarks.

Section 4 Miscellaneous. Sections 8.2 and 8.3 of the IP Sale Agreement are hereby incorporated herein *mutatis mutandis*. In the event of any conflict or inconsistency between this Agreement and the IP Sale Agreement, the provisions of the IP Sale Agreement will control and prevail.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed and delivered effective as of the Effective Date.
