TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this “**Assignment**”), dated as of March 10, 2022 (the “**Effective Date**”), is entered into by and among Insulspan-Blissfield, Inc., a Delaware corporation (the “**Assignor**”) in favor of PFB America Corporation, a Delaware corporation (the “**Assignee**”).

WHEREAS, Assignor is a wholly-owned subsidiary of Assignee; and

WHEREAS, Assignor seeks to transfer ownership of the trademark set forth on Schedule A (the “**Assigned Trademark**”) to Assignee.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor and Assignee agree as follows:

SECTION 1. Assignment. Assignor hereby sells, assigns, transfers, conveys and delivers to the Assignee, and the Assignee hereby accepts the sale, assignment, transfer, conveyance and delivery of, all of such Assignor’s right, title and interest in, free and clear of all liens, to and under the Assigned Trademark, together with all the goodwill associated with the use of or symbolized by the Assigned Trademark, all rights of enforcement and the rights, interests, claims and demands recoverable in law or equity, that Assignor has or may have in profits and damages for past, present, and future infringements, unfair competition, passing off or other conflicts relating to the Assigned Trademark, including the right to compromise, sue for and collect such profits and damages, all rights of priority resulting from the filing of the Assigned Trademark, and all other rights, including common law rights, relating to the Assigned Trademark, to the extent such rights exist or may exist in the future, each to be held and enjoyed by the Assignee for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives as said rights would have been held and enjoyed by such Assignor had this Assignment not been made.

SECTION 2. Recordation. Assignor hereby authorizes and requests that the Commissioner for Trademarks of the United States Patent and Trademark Office and other empowered officials of the United States Patent and Trademark Office and any other official of any applicable governmental entity in any other applicable jurisdictions, to record and issue any and all registrations from any and all applications for registration included in the Assigned Trademark in the name of the Assignee.

SECTION 3. Further Assurances.

(a) At the request of Assignee and at the reasonable expense of Assignee, (or its successors, assigns or legal representatives), Assignor shall timely execute and deliver any additional documents and perform any additional acts that Assignee or its counsel may request to assist in the implementation, recordation or perfection of this Assignment and Assignee’s interest in and to the Assigned Trademark.

(b) If Assignee is unable for any reason to secure Assignor’s signature to any document it is entitled to under Section 4(a), Assignor hereby irrevocably designates and appoints Assignee, and Assignee’s duly authorized officers, agents and representatives, as its agents and

attorneys-in-fact with full power of substitution to act for and on the behalf and instead of Assignor, to execute and file any such document and to do all other lawfully permitted acts to further the purposes of this Assignment with the same legal force and effect as if executed by the Assignor.

SECTION 4. Counterparts. This Assignment and any amendments hereto may be executed in counterparts, including by electronic transmission in .pdf format, each of which shall be deemed to be an original, but all of which shall be considered one and the same instrument.

SECTION 5. Successors and Assigns. This Assignment will be binding upon, and inure to the benefit of and be enforceable by, the parties hereto and their respective successors and assigns.

SECTION 6. Governing Law. All issues and questions concerning the construction, validity, interpretation and enforceability of this Trademark Assignment Agreement and the Schedule hereto shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

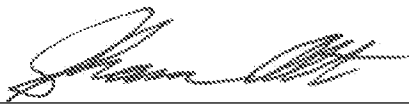

SECTION 7. Jurisdiction. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby (whether at law or in equity, in contract or in tort) shall be brought and determined exclusively in the Delaware Court of Chancery of the State of Delaware; provided that, if the Delaware Court of Chancery does not have jurisdiction, any such suit, action or proceeding shall be brought exclusively in the United States District Court for the District of Delaware or any other court of the State of Delaware, and each of the parties hereby consents to the exclusive jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court.
