WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of July 25, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified through the Eleventh Amendment Effective Date and from time to time thereafter, the "Credit Agreement"), by and among Hylan Intermediate Holdings II LLC (the "Borrower"), the Guarantors (as defined in the Guaranty and Security Agreement referred to below) from time to time party thereto, the lenders from time to time party thereto (each a "Lender" and collectively, the "Lenders"), the Agent, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, each Guarantor has agreed, pursuant to a Guaranty and Security Agreement, dated as of July 25, 2016 in favor of the Agent (as amended, restated, supplemented or otherwise modified through the Eleventh Amendment Effective Date and from time to time thereafter, the "Guaranty and Security Agreement"), to guarantee the Obligations (as defined in the Credit Agreement) of the Borrower; and

WHEREAS, the Borrower and each Guarantor is party to the Guaranty and Security Agreement pursuant to which the applicable Grantors (as defined in the Guaranty and Security Agreement) are required to execute and deliver this Intellectual Property Security Agreement.

NOW, THEREFORE, in consideration of the premises and in accordance with the requirements of the Guaranty and Security Agreement, Grantor hereby agrees with Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Intellectual Property. As collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations, Grantor hereby mortgages, pledges and hypothecates to Agent for the benefit of the Secured Parties, and grants to Agent for the benefit of the Secured Parties, a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral (the "Intellectual Property Collateral"):

(a) all of its Patents, Copyrights, Trademarks and IP Licenses, including, without limitation, those referred to on Schedule 1 hereto;

(b) all goodwill of the business connected with the use of, and symbolized by, each such Trademark;

(c) all reissues, reexaminations, continuations, continuations in part, divisionals, renewals and extensions of any of the foregoing; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof and all other proceeds thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Intellectual Property Security Agreement is granted in conjunction with the security interest granted to Agent pursuant to the Guaranty and Security Agreement and Grantor hereby acknowledges and agrees that the rights and remedies of

Agent with respect to the security interest in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provisions of this Intellectual Property Security Agreement are deemed to conflict with the Guaranty and Security Agreement, the provisions of the Guaranty and Security Agreement shall govern in all respects. Upon termination of the Guaranty and Security Agreement, the Agent's security interests in the Intellectual Property Collateral shall automatically terminate and the Agent shall execute, acknowledge and deliver to Grantor an instrument in writing evidencing the release of the security interest in the Intellectual Property Collateral granted under this Intellectual Property Security Agreement

Section 4. Grantor Remains Liable. Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with any Intellectual Property subject to a security interest hereunder.

This Intellectual Property Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.
