INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “*Agreement*”) is made as of January 21, 2022, by and between **RECURRENT VENTURES INC.** (“*Recurrent*”), **ACTON MEDIA INC.** (“*Acton*”), **BROOKLINE MEDIA INC.** (“*Brookline*”), **CAMDEN MEDIA INC.** (“*Camden*”), **DOVER MEDIA INC.** (“*Dover*”), **DONUT MEDIA, INC.** (“*Donut*”), and **LIVINGLY MEDIA, INC.** (“*Livingly*”, and together with Recurrent, Acton, Brookline, Camden, Dover and Donut, individually and collectively, as the context requires, but in each case jointly and severally, the “*Debtor*”), each a corporation organized under the laws of the State of Delaware, and **BANK LEUMI USA** (together with its successors, the “*Secured Party*”).

W I T N E S S E T H:

WHEREAS, concurrently herewith Recurrent, Acton, Brookline, Camden, Dover, Donut and Livingly (individually and collectively, as the context requires, but in each case jointly and severally, the “*Borrower*”) and the Secured Party are entering into a Letter Agreement dated as of the date hereof (said Letter Agreement, as it may be amended, restated, amended and restated, supplemented, restructured or otherwise modified, renewed or replaced from time to time, the “*Letter Agreement*”) and pursuant to which the Secured Party is agreeing to extend credit to the Borrower on the terms and subject to the conditions specified therein; and

WHEREAS, concurrently herewith the Debtor and the Secured Party are entering into a Security Agreement of even date herewith (as it may be amended, restated, amended and restated, supplemented, restructured or otherwise modified, renewed or replaced from time to time, the “*Security Agreement*”), pursuant to which the Debtor is granting to the Secured Party a security interest in and lien on substantially all of the Debtor’s assets, including, but not limited to, all of the Debtor’s patents, patent applications, copyrights, copyright applications, trademarks, trademark applications, service marks, trade names, mask works, trade secrets, licenses of any of the foregoing and any right to use any of the foregoing (collectively, the “*Intellectual Property*”); and

WHEREAS, the execution and delivery of this Agreement by the Debtor is a condition precedent to the effectiveness of the Letter Agreement and the extension of credit by the Secured Party to the Borrower thereunder; and

WHEREAS, the Debtors are mutually dependent on each other in the conduct of their respective businesses as an integrated operation, with credit needed from time to time by each Debtor often being provided through financing obtained by the other Debtors and the ability to obtain such financing being dependent on the successful operations of all of the Debtors as a whole; and

WHEREAS, each Debtor has determined that the execution, delivery and performance of this Agreement directly benefit, and are in the best interest of, such Debtor.

NOW, THEREFORE, in consideration of the above premises, and in order to induce the Secured Party to make loans or other advances to the Borrower from time to time hereafter, and

for other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the Debtor hereby represents, warrants, covenants and agrees as follows:

1. **Definitions.** The Security Agreement and the provisions thereof are hereby incorporated herein in their entirety by this reference thereto. Capitalized terms that are defined in the Security Agreement and are used but not defined herein shall have the respective meanings given thereto in the Security Agreement.

2. **Assignment for Security.** To secure the prompt payment and performance of the Obligations, the Debtor hereby collaterally assigns, pledges and grants to the Secured Party a continuing security interest in and to and lien on all of Debtor's Intellectual Property (including, without limitation, the Intellectual Property listed on Schedule A attached hereto), whether now owned or existing or hereafter acquired or arising and wheresoever located, and all proceeds thereof (such as, by way of example but not limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding to any of the Intellectual Property throughout the world, the goodwill of the Debtor's business connected with the use of and symbolized by any trademarks, and all re-issues, divisions, continuations, renewals, extensions, and continuations-in-part thereof (collectively, the "*Intellectual Property Collateral*"); provided that, for the avoidance of doubt, the Intellectual Property Collateral shall not include any Excluded Assets.

3. **Existing Intellectual Property.** As of the date hereof, the Intellectual Property listed on Schedule A constitutes all of the Intellectual Property now owned by the Debtor for which the Debtor has registered or filed an application with the United States Patent and Trademark Office or the United States Copyright Office.

4. **Rights and Remedies.** The security interest granted hereby is granted in conjunction with the security interest granted to the Secured Party under the Security Agreement. The rights and remedies of the Secured Party with respect to the security interest granted hereby are in addition to those set forth in the Security Agreement, and those which are now or hereafter available to the Secured Party as a matter of law or equity. Each right, power and remedy of the Secured Party provided for herein or in the Security Agreement, or now or hereafter existing at law or in equity, shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by the Secured Party of any one or more of the rights, powers or remedies provided for in this Agreement or the Security Agreement, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including the Secured Party, of any or all other rights, powers or remedies.

5. **Limitation on Duty.** Beyond the exercise of reasonable care in the custody and preservation thereof, the Secured Party will have no duty as to any Intellectual Property in its possession or control or in the possession or control of any agent or bailee or any income therefrom or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Secured Party will be deemed to have exercised reasonable care in the custody and preservation of the Intellectual Property in its possession or control if such property is accorded treatment substantially equal to that which it accords its own property, and will not be liable or responsible for any loss or damage to any Intellectual Property, or for any diminution in the value thereof, by reason of any act or omission of any agent or bailee selected by the Secured

Party in good faith or by reason of any act or omission by the Secured Party pursuant to instructions from the Secured Party, except to the extent that such liability arises from the Secured Party's gross negligence or willful misconduct.

The words "delivery," "execute," "execution," "signed," "signature," and words of like import in any document executed in connection herewith shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Secured Party, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided, that*, notwithstanding anything contained herein to the contrary the Secured Party is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Secured Party pursuant to procedures approved by it; *provided, further, that*, without limiting the foregoing, upon the request of the Secured Party, any electronic signature shall be promptly followed by such manually executed counterpart.

7. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Debtor, the Secured Party, all future holders of the Obligations and their respective successors and assigns in accordance with Section D.11 of the Letter Agreement.
