A. Lender has agreed to make certain advances of money and to extend certain financial accommodations (the “Loans”) to Grantors in the amounts and manner set forth in that certain Loan and Security Agreement, dated as of even date herewith (as the same may be amended, restated, modified or supplemented from time to time, the “Loan Agreement”; capitalized terms used herein are used as defined in the Loan Agreement), by and among Grantors and Lender.

B. Lender is willing to make the Loans to Grantors, but only upon the condition, among others, that each Grantor shall grant to Lender a security interest in certain Copyrights, Trademarks and Patents to secure the Obligations under the Loan Agreement.

C. Pursuant to the terms of the Loan Agreement, each Grantor has granted to Lender a security interest in all of such Grantor’s right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

1. To secure its obligations under the Loan Agreement, each Grantor grants and pledges to Lender a security interest in all of such Grantor’s right, title and interest in, to and under its Intellectual Property (the “Intellectual Property Collateral”) (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

2. Each Grantor authorizes the Commissioner for Patents, the Commissioner for Trademarks and Register of Copyrights and any other governmental officials to record and register this Agreement upon request by Lender.
