## RELEASE OF SENIOR LIEN SECURITY INTEREST IN INTELLECTUAL PROPERTY

This Release of Senior Lien Security Interest in Intellectual Property (this “Release”) is made as of March 18, 2022, by Credit Suisse AG, Cayman Islands Branch, in its capacity as administrative agent and collateral agent (together with its successors in such capacities, the “Administrative Agent”) for the Secured Parties (as defined in the Credit Agreement referred to below) in favor of Forterra Pipe & Precast, LLC, Forterra Pressure Pipe, Inc., Forterra Concrete Products, Inc., United States Pipe and Foundry Company, LLC, Griffin Pipe Products Co., LLC, Custom Fab, Inc., Bio Clean Environmental Services, Inc. and Modular Wetland Systems, Inc. (collectively, the “Grantors”). Capitalized terms used but not otherwise defined herein shall have the meanings given (including by reference) to such terms in the Guarantee and Collateral Agreement (as defined below).

### W I T N E S S E T H:

WHEREAS, reference is made to that certain (i) Senior Lien Term Loan Credit Agreement, dated as of October 25, 2016 (as amended as of May 1, 2017, and as may be further amended, restated, amended and restated, supplemented or otherwise modified or replaced from time to time, the “Credit Agreement”) among Forterra, Inc., a Delaware corporation (“Holdings”), Forterra Finance, LLC, a Delaware limited liability company (the “Borrower”), the several banks and other financial institutions or entities from time to time party thereto as lenders and the Administrative Agent; (ii) Senior Lien Guarantee and Collateral Agreement, dated as of October 25, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified or replaced from time to time, the “Guarantee and Collateral Agreement”) by Holdings, the Borrower, the Grantors, and the other grantors party thereto in favor of the Administrative Agent; and (iii) Senior Lien Intellectual Property Security Agreement, dated as of October 25, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified or replaced from time to time, the “IP Security Agreement”) by the Grantors in favor of the Administrative Agent;

WHEREAS, pursuant to the Guarantee and Collateral Agreement and the IP Security Agreement, each Grantor has granted to the Administrative Agent for its benefit and the benefit of the other Secured Parties, a security interest in all of such Grantor’s right, title and interest in and to the IP Collateral (as defined in the IP Security Agreement), including the Copyrights, Trademarks and Patents identified on Schedules 1, 2 and 3 hereto;

WHEREAS, the IP Security Agreement was recorded in the United States Patent and Trademark Office on November 30, 2016 at Reel 5931 and Frame 0795 for Trademarks and on November 30, 2016 at Reel 040775 and Frame 0692 for Patents, and in the United States Copyright Office on December 5, 2015 at Volume 9940, Document No. 824; and

WHEREAS, in connection with the repayment in full of all principal, interest, fees and other amounts outstanding under the Credit Agreement and the release of security interests under the Guarantee and Collateral Agreement, each Grantor has requested that the Administrative Agent release, and the Administrative Agent is willing to release its lien on and security interest in, and any other right, title and interest it may have in, to and under, the IP Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Administrative Agent hereby agrees as follows:

1. The Administrative Agent (on behalf of itself and the other Secured Parties) does hereby terminate, release and discharge the entirety of (a) its security interest in the IP Collateral, (b) all claims it may have, whether presently existing or hereafter acquired or created, pursuant to the IP Security Agreement to the IP Collateral, and (c) the IP Security Agreement. Any right, title or interest of the Administrative Agent in the IP Collateral shall hereby terminate, cease and become void. The Administrative Agent hereby reassigns, retransfers and reconveys to the Grantors (as applicable), without representation or warranty, any and all right, title or interest the Administrative Agent or any Secured Party may have in, to or under the IP Collateral.

2. The Administrative Agent hereby agrees to duly execute, acknowledge, procure and deliver any further documents and to do such other acts, at the Grantors's sole cost and expense, as may be reasonably necessary to affect the release of the security interest in the IP Collateral contemplated hereby (or to evidence or record the same).

3. This Release may be executed in any number of counterparts (including electronic transmission and facsimile counterparts), each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed signature page of this Release by electronic image scan transmission shall be effective as delivery of a manually executed counterpart hereof. Any signature to this Release may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Release. Each of the parties represents and warrants to the other parties that it has the corporate (or similar) capacity and authority to execute this Release through electronic means and there are no restrictions for doing so in that party's constitutive documents.

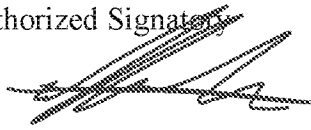

4. This Release and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York.

[signature page follows]

IN WITNESS WHEREOF, the undersigned has caused this Release to be executed and delivered as of the date first written above.
