## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (“IP Assignment”), dated as of October 1, 2019, is made by **COMMUNITY PRODUCTS, LLC** (“Assignor”), a New York limited liability company, located at 101 Woodcrest Drive, Rifton, NY 12471, in favor of **CHURCH STEWARDSHIP INC.** (“Assignee”), a Delaware non-stock not-for-profit organization, located at 101 Woodcrest Drive, Rifton, NY 12471, the Assignee of certain assets of Assignor pursuant to a Transfer of Property Agreement dated as of October 1, 2019 (the “Transfer Agreement”).

The parties recite and declare that:

Under the terms of the Transfer Agreement, Assignor has conveyed, transferred, and assigned to Assignee, among other assets, certain intellectual property of Assignor, and has agreed to execute and deliver this IP Assignment, for recording with the United States Patent and Trademark Office, United States Copyright Office, and corresponding entities or agencies in any applicable jurisdictions;

The parties agree as follows:

1. **Assignment.** Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor’s right, title, and interest in and to the following (the “Assigned IP”):
  - (a) the patents and patent applications set forth on Schedule 1 hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations, and renewals thereof (the “Patents”);
  - (b) the trademark registrations and applications set forth on Schedule 2 hereto and all issuances, extensions, and renewals thereof (the “Trademarks”), together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks;
  - (c) the design registrations and applications for registration set forth on Schedule 3 hereto and all issuances, extensions, and renewals thereof (the “Registered Designs”);
  - (d) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;
  - (e) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and
  - (f) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. **Recordation and Further Actions.** Assignor hereby authorizes the Commissioner for Patents and the Commissioner for Trademarks in the United States Patent and Trademark Office, the Register of Copyrights in the United States Copyright Office, and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this IP Assignment upon request by Assignee. Following the date hereof, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned IP to Assignee, or any assignee or successor thereto.
3. **Terms of the Transfer Agreement.** The parties hereto acknowledge and agree that this IP Assignment is entered into pursuant to the Transfer Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Assigned IP. The representations, warranties, covenants, agreements, and indemnities contained in the Transfer Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Transfer Agreement and the terms hereof, the terms of the Transfer Agreement shall govern.
4. **Counterparts.** This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.
5. **Successors and Assigns.** This IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
6. **Governing Law.** This IP Assignment and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this IP Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of New York, without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction). For any and all disputes arising out of or connected with this agreement, the Parties consent to the exclusive jurisdiction of the state and federal courts that are located in the Northern District of New York.

**\*\*\* Signature Page Follows \*\*\***

IN WITNESS WHEREOF, Assignor has duly executed and delivered this IP Assignment as of the date first above written.
