## TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement ("Assignment") is entered into as of March \_\_\_\_, 2022, between Andrew's Sons, Inc., a corporation organized and existing under the laws of the State of California, with a place of business at 3452 University Avenue, Riverside, California 92501 ("Assignor") and Five Brothers IP, LLC, a limited liability company organized and existing under the laws of the State of Nevada, with a place of business at 3452 University Avenue, Riverside, California 92501 ("Assignee").

**WHEREAS**, Assignor owns the trademarks, service marks and domain names listed on Exhibit A, attached hereto, and the good will of the business associated with all of the foregoing (collectively, the "Marks"); and

**WHEREAS**, Assignee desires to acquire all right, title, and interest, and all goodwill associated therewith, in, to and under the Marks;

**NOW THEREFORE**, in consideration of Ten Dollars (\$10.00), the recitals, terms and conditions herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

1. **Assignment**. Assignor hereby sells, assigns, and transfers to Assignee, its successors and assigns, all right, title, and interest in, to and under the Marks (including the registrations listed on Exhibit A), all common law rights therein, any and all trademark and/or service mark rights related thereto; and in and to any and all causes of action (either in law or in equity), as well as the right to enforce any rights and file any causes of action, including the right to recover damages, for any past, present, or future infringement, misappropriation and/or dilution of the Marks.

2. **Further Assurances**. Assignor hereby agrees to execute, acknowledge and deliver any and all documents and to take such other and further actions as Assignee, in its reasonable discretion deems desirable or necessary to make a record with any and all government agencies, authorities, courts, tribunals, or third parties, of the fact that Assignee owns all right, title and interest in and to the Marks, and any and all goodwill associated therewith, and that Assignor no longer has any right, title or interest, of any kind or nature, in or to the Marks.

3. **Authorizations**. Assignor hereby authorizes the Commissioner of Patents and Trademarks (and the equivalent authority in foreign trademark offices) to record this Agreement and transfer the Marks to Assignee as assignee of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment.

4. **Governing Law**. All matters relating to the interpretation, construction, validity and enforcement of this Agreement shall be governed by and construed in accordance with the domestic laws of the State of California without giving effect to any choice or conflict of law provision or rule (whether of the State of California or any other jurisdiction) that would cause the application of laws of any jurisdiction other than the State of California.

5. **Counterparts.** This Agreement may be executed in original, facsimile or electronic counterparts, each of which will be deemed an original, and which when taken together will constitute one and the same instrument.

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be duly executed on behalf of the parties as of the below date(s).
