GRANT OF A SECURITY INTEREST --TRADEMARKS

This Trademark Security Agreement (this “**Trademark Security Agreement**”) is made as of March 22, 2022, by INNOVATIVE OFFICE SOLUTIONS LLC, a Minnesota limited liability company (the “**Grantor**”), in favor of BMO HARRIS BANK N.A., in its capacity as lender, for the benefit of itself and the other Secured Parties (together with its successors and assigns in such capacity, the “**Grantee**”).

WHEREAS, the Grantor has adopted, used and is using, and holds all right, title and interest in and to, the trademarks and service marks listed on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the “**Trademarks**”);

WHEREAS, the Grantor has entered into a Credit and Security Agreement dated as of March 22, 2022 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “**Credit and Security Agreement**”), by and between the Grantor, Northern Business Products, Inc., a Minnesota corporation (“**NBP**”), and the Grantee; and

WHEREAS, pursuant to the Credit and Security Agreement, the Grantor has granted to the Grantee for the benefit of the Secured Parties (as defined in the Credit and Security Agreement), a continuing security interest in the Trademarks, together with, among other things, the goodwill of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the “**Collateral**”), to secure the prompt payment and performance to the Grantee of the Obligations (as defined in the Credit and Security Agreement).

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor does hereby grant to the Grantee, for the benefit of the Grantee and the other Secured Parties, a continuing security interest in the Collateral to secure the prompt payment and performance of the Obligations.

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit and Security Agreement.

The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral are more fully set forth in the Credit and Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.
