TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (the "Agreement") is entered into by and between **CDI Computer Dealers, Inc.**, a Canadian corporation duly organized and existing under the laws of Canada with its principal place of business at 130 South Town Centre Boulevard, Markham (Ontario) Canada L6G1B8 ("Assignor") and **Bluum Holdings LLC**, a Delaware limited liability company with its principal place of business at 4675 E. Cotton Center Blvd. #155, Phoenix, Arizona 85040-4810 ("Assignee") as of the 23rd day of **March, 2022** (the "Effective Date").

WHEREAS, the ASSIGNOR is the sole and exclusive owner of the entire right, title and interest in and to the trademarks, applications and registrations, including the goodwill and any common law trademark rights therefor, listed on Schedule A attached hereto and made a part hereof (collectively, the "**Trademarks**"); and

WHEREAS, the ASSIGNEE desires to purchase or acquire the ASSIGNOR's right, title and interest in and to the Trademarks; and

WHEREAS, ASSIGNOR and the ASSIGNEE are both duly authorized and capable of entering into this Assignment and the parties hereto agree as follows:

ASSIGNMENT. The ASSIGNOR does hereby sell, assign, transfer and set over to ASSIGNEE all of its right, title and interest in and to the Trademarks in the United States and all jurisdictions outside the United States including, without limitation the ongoing and existing portion of the ASSIGNOR'S business associated with the Trademarks, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to sue and recover for any past or continuing infringements or contract breaches related to the Trademarks, the right to renew any registrations including in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from eh Trademarks), the same to be held and enjoyed by ASSIGNEE as fully and entirely as said interest could have been held and enjoyed by ASSIGNOR had this sale, assignment, transfer and conveyance not been made.

The ASSIGNOR authorized the United States Patent and Trademark Office and any other application jurisdictions outside the United States to record the transfer of the registrations and/or registration applications set forth in Schedule A to ASSIGNEE as recipient of ASSIGNOR's entire right, title and interest there in.

ASSIGNOR further agrees to upon the request and at the expense of the ASSIGNEE (a) cooperate with ASSIGNEE in the protection of the trademark rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including registration applications and instruments of transfer; and (c) perform such other acts as ASSIGNEE lawfully may request to obtain or maintain the Trademarks and any all applications and registrations for the Trademarks.

WARRANTY. ASSIGNOR warrants that ASSIGNEE is the legal owner of all right, title and interest in the Trademarks, that the Trademarks have not been previously pledge, assigned or encumbered and that this Assignment does not infringe on the rights of any person.

ENTIRE AGREEMENT. This Assignment is governed by, and is to be construed in accordance with the law of the Country of Canada and the State of Arizona.

SEVERABILITY. If one or more provisions of this Agreement are held to be unenforceable under applicable law, the parties agree to renegotiate such provision in good faith. If the parties cannot reach a mutually agreeable and enforceable replacement for such provision, then (i) such provision will be excluded from this Agreement, (i) the balance of the Assignment will be interpreted as if such provision were so excluded and (iii) the balance of the Assignment will be enforceable in accordance with its terms.

ADVICE OF COUNSEL. Each party acknowledges that, in executing this agreement, such party has had the opportunity to seek the advice of independent legal counsel, and has read and understood all of the terms and previsions of this Agreement. This agreement will not be construed against any party by reason of the drafting or preparation hereof.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR hereby assigns, transfers, and conveys to ASSIGNEE all right, title and interest in and to the Trademarks, together with the goodwill of the business associated therewith, the Registration of the Trademarks and any renewals and extensions thereof, effective as of the date set forth.

IN WITNESS WHEREOF, the undersigned has caused this Trademark Assignment to be executed by its duly authorized officer on this _____ day of March, 2022.
