NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants and pledges to the Deal Agent, for the benefit of the Deal Agent and the other Secured Parties, a continuing

security interest in all of such Grantor's right, title and interest in the following property, now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest, and wherever located or deemed located (the "IP Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Aggregate Unpaid (as defined in the Loan and Servicing Agreement): (a) all United States trademarks, service marks and certification marks, rights and interests in trademarks, service marks, certification marks, trade names, trade styles, trade dress, service marks, logos, company names, fictitious business names and other similar source identifiers, whether registered or unregistered, all registrations thereof, and all applications in connection therewith anywhere in the world, including, without limitation, those listed on Schedule 1 hereto, (b) all reissues, continuations (in whole or in part) and renewals of any of the foregoing, (c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including, without limitation, damages or payments for past, present or future infringements of any of the foregoing, (d) the right to sue for past, present or future infringements of any of the foregoing and (e) all rights corresponding to any of the foregoing (including the goodwill symbolized thereby) throughout the world; provided, that (i) the security interests granted herein shall not extend to, and the term "IP Collateral" shall not include any trademark or service mark application filed in the United States Patent and Trademark Office on the basis of such Grantor's intent-to-use such trademark or service mark unless and until evidence of use thereof has been filed with the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. §1051, et seq.), to the extent that granting a security interest in such trademark or service mark application prior to such filing and acceptance would adversely affect the enforceability or validity of such trademark or service mark application or the resulting trademark or service mark registration.

SECTION 2. Recordation. Each Grantor authorizes and requests that the United States Commissioner of Patents and Trademarks record this Agreement.

SECTION 3. Execution in Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when it shall have been executed by the Deal Agent and when the Deal Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means (e.g. "pdf" or "tif") shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 4. Governing Law. This Agreement shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

SECTION 5. Conflict Provision. This Agreement has been entered into in conjunction with the provisions of the Loan and Servicing Agreement. The grant of the security interest hereunder to, and the rights and remedies of, the Deal Agent with respect to the IP Collateral are more fully set forth in the Loan and Servicing Agreement, the terms and

provisions of which are incorporated herein by reference as if fully set forth herein. In the event that any provisions of this Agreement are in conflict with the Loan and Servicing Agreement, the provisions of the Loan and Servicing Agreement shall govern.

SECTION 6. Release. Upon termination of the Loan and Servicing Agreement and the security interests granted thereunder, the IP Collateral shall immediately and automatically be released from the liens created hereby, and this Agreement and all obligations of the Deal Agent and each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the IP Collateral shall revert to the applicable Grantor. At the request and sole expense of any Grantor following any such termination, the Deal Agent shall deliver to such Grantor any IP Collateral held by the Deal Agent hereunder and execute and deliver to such Grantor such documents (in form and substance reasonably satisfactory to such Grantor and the Deal Agent) as such Grantor may reasonably request to evidence such termination.
