**BILL OF SALE**

This BILL OF SALE (this "Bill of Sale") is executed as of December 10, 2021, by and between GBG USA Inc., a Delaware corporation ("GBG USA"), Pacific Alliance USA Inc. (together with GBG USA, the "Sellers" and each a "Seller") and D.P.I. Imports, Inc., a New York corporation ("Buyer").

1. Acquired Assets. Sellers desire to sell, convey, assign, transfer, and deliver to Buyer, and Buyer desires to purchase from Sellers, subject to the terms and conditions of this Bill of Sale and the Sale Order: (i) all of Sellers' right, title and interest in and to all inventory of Sellers under the brand names "MagnaReady, Yarrow, and Ulex" all of which inventory is set forth on Exhibit A attached hereto (collectively, the "Inventory"), wherever the Inventory is presently located (and will be located as of the Closing) and (ii) all of Sellers' right, title and interest in the Intellectual Property set forth on Exhibit B attached hereto (collectively the "Transferred Intellectual Property") together with the Inventory, the "Acquired Assets"), for and in consideration of the payment by Buyer to Sellers at the Closing of the Purchase Price and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged.

2. Consideration. The aggregate consideration (the "Purchase Price") to be paid by Buyer for the purchase of the Acquired Assets shall be [REDACTED]. At the Closing, Buyer shall deliver, or cause to be delivered, to Sellers, the Purchase Price in cash by wire transfer of immediately available funds to the bank account set forth on Exhibit C hereto.

3. Closing. The closing of the purchase and sale of the Acquired Assets and the delivery of the Purchase Price (the "Closing") will take place by electronic exchange of documents at 10:00 a.m. Eastern Time on the first (1<sup>st</sup>) Business Day following the delivery by Sellers to Buyer of a copy of the Sale Order as entered by the Bankruptcy Court, or at such other place or later time as the parties hereto may agree. The date the Closing occurs is referred to as the "Closing Date."

4. Representations of Sellers. Sellers represent and warrant to Buyer as follows as of the date hereof and as of the Closing Date:

- a. Each Seller (i) is an entity duly incorporated and validly existing under the laws of its jurisdiction of incorporation, and (ii) has all requisite corporate power and authority to own and operate its properties and to carry on its businesses as now conducted, subject to the provisions of the Bankruptcy Code.
- b. The execution, delivery and performance of this Bill of Sale by Sellers, and the consummation by Sellers of the transactions contemplated hereby, subject to requisite Bankruptcy Court approvals, have been duly and validly authorized by all requisite corporate action, and no other corporate proceedings on its part are necessary to authorize the execution, delivery or performance of this Bill of Sale by Sellers. Subject to requisite Bankruptcy Court approvals, this Bill of Sale has been duly and validly executed and delivered by Sellers, and, assuming this Bill of Sale is a valid and binding obligation of Buyer, this Bill of Sale constitutes a valid

- and binding obligation of Sellers, enforceable against Sellers in accordance with its terms, except as limited by the application of bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other laws relating to or affecting creditors' rights or general principles of equity (whether considered in a proceeding in equity or at law) (the "Enforceability Exceptions").
- c. Sellers are the lawful owners of, and have good title to, all of the Acquired Assets. As of immediately prior to the Closing and subject to the entry of the Sale Order, Sellers shall be the lawful owners of, and have good title to, and the power to sell, assign or transfer to Buyer, all of the Acquired Assets. Upon Closing and entry of the Sale Order, Buyer will acquire from Sellers good and marketable title to the Acquired Assets.
  - d. All Transferred Intellectual Property is in full force and effect and otherwise in good standing. All Transferred Intellectual Property is valid, subsisting and enforceable. Subject to entry of the Sale Order Seller exclusively owns all right, title (including, with respect to all Transferred Intellectual Property, record title) and interest in and to the Transferred Intellectual Property free and clear of all Encumbrances except for Permitted Encumbrances.
  - e. Neither the Transferred Intellectual Property nor the operation of the Acquired Assets has (i) to the actual knowledge of Sellers after due inquiry, infringed, misappropriated, or otherwise violated, or is infringing, misappropriating, or otherwise violating any Intellectual Property of any other Person, or (ii) violated any license or agreement with any third party to which a Seller is bound. None of the Sellers have received any written claim, demand or notice, and no Action is pending or, to the actual knowledge of Sellers after due inquiry, threatened against any of the Sellers: (i) alleging any infringement, misappropriation, or other violation of any Intellectual Property of any other Person; or (ii) challenging the validity, registrability, enforceability or ownership of, or the right of the Sellers and their respective Subsidiaries to use, any Transferred Intellectual Property. To the actual knowledge of Sellers after due inquiry, no other Person is infringing, misappropriating or otherwise violating any Intellectual Property. None of the Transferred Intellectual Property is subject to any lien, encumbrance, judgment, decree or order of any Governmental Body. None of the Transferred Intellectual Property has been or is now involved in any interference, reissue, inter-partes review, reexamination, cancellation, revocation, opposition or other proceeding in the United States Patent and Trademark Office or any other Governmental Body.

Except for the representations and warranties expressly made by Sellers in this Section 4 (the "Express Representations") (it being understood that Buyer has relied only on such Express Representations), Buyer acknowledges and agrees, on its own behalf and on behalf of its Related Parties, that neither Sellers nor any other Person on behalf of Sellers makes, and neither Buyer nor any of its Related Parties has relied on, the accuracy or completeness of any express or implied representation or warranty with respect to Sellers, the Acquired Assets or with respect to any statement or information of any nature made or provided by any Person, any information, statements, disclosures, documents or other material made available to Buyer or any of its affiliates

or advisors, on behalf of Sellers or any of their respective affiliates or advisors to Buyer or any of its affiliates or advisors.

- b. The execution, delivery and performance of this Bill of Sale by Buyer, and the consummation by Buyer of the transactions contemplated hereby, have been duly and validly authorized by all requisite corporate action, and no other corporate proceedings on its part are necessary to authorize the execution, delivery or performance hereunder by Buyer. This Bill of Sale has been duly and validly executed and delivered by Buyer, and, assuming this Bill of Sale is a valid and binding obligations of Sellers, this Bill of Sale constitutes a valid and binding obligation of Buyer, enforceable against Buyer in accordance with its terms, except as limited by the Enforceability Exceptions.

Notwithstanding anything in this Bill of Sale to the contrary, Buyer acknowledges and agrees, on its own behalf and on behalf of its Related parties, that the Express Representations are the sole and exclusive representations, warranties and statements of any kind made to Buyer or any of its Related Parties and on which Buyer and its Related Parties may rely in connection with the transactions contemplated by this Bill of Sale. Buyer acknowledges and agrees, on its own behalf and on behalf of its Related Parties, that all other representations, warranties and statements of any kind or nature expressed or implied, whether in written, electronic or oral form, including (a) the completeness or accuracy of, or any omission to state or to disclose, any information (other than solely to the extent expressly set forth in the Express Representations) including in any meetings, calls or correspondence with management of Sellers, or any other Person on behalf of Sellers or any of their respective affiliates or advisors and (b) any other statement relating to the Acquired Assets, are, in each case specifically disclaimed by Sellers and that neither Buyer nor any of its Related Parties has relied on any such representations, warranties or statements. Buyer acknowledges, on its own behalf and on behalf of its Related Parties, that it has conducted to its full satisfaction a due diligence review and independent investigation and verification of the Acquired Assets, and, in making its determination to proceed with the transactions contemplated by this Bill of Sale, Buyer has relied solely on the results of such review and independent investigation and verification, and has not relied on, is not relying on, and will not rely on, Sellers, any information, statements, disclosures, documents, projections, forecasts or other material made available to Buyer or any of its affiliates or advisors, or any information, statements, disclosures or materials, in each case, whether written or oral, made or provided by, or as part of, any of the foregoing or Sellers or any of their respective affiliates or advisors, or any failure of any of the

foregoing to disclose or contain any information, except for the Express Representations (it being understood that Buyer and its Related Parties have relied only on the Express Representations).
