Total number of pages including cover sheet, attachments, and document: 5

TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (“**Trademark Security Agreement**”), dated as of March 23, 2022, is made by CBeyondata LLC, a Delaware limited liability company (“**Grantor**”), in favor of EAGLEBANK, a Maryland banking corporation (the “**Secured Party**”).

Grantor, ALTA VIA CONSULTING, LLC, a Tennessee limited liability company, CBeyondata Acquisition Corp., a Delaware corporation, and Secured Party have entered into an Amended and Restated Financing and Security Agreement dated as of even date herewith (as amended, restated, modified, substituted, extended and renewed from time to time, the “**Financing Agreement**”).

Under the terms of the Financing Agreement, Grantor has granted to Secured Party a security interest in, among other property, certain intellectual property of Grantor, and has agreed to execute and deliver this Trademark Security Agreement for recording with the United States Patent and Trademark Office.

Grantor and Secured Party therefore agree as follows:

- Grant of Security.** Grantor hereby grants to Secured Party a security interest in and to all of the right, title and interest of Grantor in, to and under the following, wherever located, and whether now existing or hereafter arising or acquired from time to time (the “**Trademark Collateral**”): (a) the trademark registrations set forth in **Schedule 1** hereto, and all extensions and renewals thereof (the “**Trademarks**”) and all trademark licenses providing for the grant by or to Grantor of any right under any Trademark; (b) all products and proceeds of the Trademarks; (c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; (d) all of the goodwill of the businesses with which the Trademarks are associated; and (e) all causes of action, past, present and future, for infringement, misappropriation, or dilution of any of the Trademarks or unfair competition regarding the same.
- Recordation.** Grantor authorizes the Commissioner for Trademarks and any other government officials to record and register this Trademark Security Agreement upon Secured Party’s request.
- Loan Documents.** This Trademark Security Agreement has been entered into pursuant to and in conjunction with the Financing Agreement, which is hereby incorporated by reference. The provisions of the Financing Agreement shall supersede and control over any conflicting or inconsistent provision herein. The rights and remedies of Secured Party with respect to the Trademark Collateral are as provided by the Financing Agreement and related documents, and nothing in this Trademark Security Agreement shall be deemed to limit such rights and remedies.
- Execution in Counterparts.** This Trademark Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or in electronic (i.e., “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.
- Successors and Assigns.** This Trademark Security Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.
- Governing Law.** This Trademark Security Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Trademark Security Agreement and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the laws of the State of Maryland.
