TRADEMARK ASSIGNMENT

This Trademark Assignment (the "Assignment") effective as of April 8, 2022 ("Effective Date"), by and between STO Holdings Inc., a Delaware corporation having an address at 330 West 34th Street, New York, New York 10001 ("Assignor") and STO Building Group, Inc., a Delaware corporation having an address at 330 West 34th Street, New York, New York 10001 ("Assignee").

RECITALS

WHEREAS, Assignor has adopted, is using, and has filed for and registered the Trademarks as set forth in attached Schedule A, pages 1-5 (the "Trademarks").

WHEREAS, Assignor agrees to assign to Assignee, and Assignee agrees to accept, all right, title and interest in and to the Trademarks, together with all goodwill associated therewith.

NOW THEREFORE, in exchange for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the parties agree as follows:

ASSIGNMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby transfers, sells, assigns, conveys, and delivers to Assignee and its successors and assigns, Assignor's entire right, title and interest in and to the Trademarks, together with the goodwill associated therewith.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States of America and the empowered officials performing the same or substantially same function as the Commissioner of Patents and Trademarks of the United States of America of all other governments to issue or transfer the Trademarks to Assignee, as assignee of the entire right, title, and interest therein, or otherwise as Assignee may direct and, at Assignee's cost, to record and register this Assignment upon request by Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate. Assignor shall, at Assignee's cost, take such steps and actions following the date hereof, including the execution of any documents, files, registration, or other similar items, to ensure that the Trademarks are properly assigned to Assignee. In the event that Assignor fails to timely comply with any reasonable request of Assignee set forth in this paragraph, Assignor hereby constitutes and

appoints Assignee as Assignor's true and lawful attorney in fact, with full power of substitution in Assignor's name and stead, to take any and all steps, including proceedings at law, in equity or otherwise, to execute, acknowledge and deliver any and all instruments and assurances necessary or expedient in order to vest or perfect the aforesaid rights and related causes of action more effectively in Assignee or to protect the same or to enforce any claim or right of any kind with respect thereto. This includes, but is not limited to, any rights with respect to the Trademarks that may have accrued in Assignor's favor from the respective date of first use of the Trademarks from the Effective Date of the Assignment. Assignor hereby declares that the foregoing power is coupled with an interest and as such is irrevocable.

The Agreement is governed by California law. Each party hereby expressly consents to the personal jurisdiction of either the California courts or the United States District Courts located in the State of California and agrees that any action relating to or arising out of this Agreement be instituted and prosecuted only in the Superior Court of the County of San Francisco or the United States District Court for the Northern District of California.

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Assignment to be duly executed on their respective behalf, or by their respective officers thereunto duly authorized, all as of the day and year first above written.
