## **TRADEMARK ASSIGNMENT**

This agreement is effective December 9, 2021 (the “Effective Date”) between 3M Company, a Delaware corporation having its principal offices located at 3M Center, 2501 Hudson Road, St. Paul, Minnesota 55144 (“3M”), and KCI USA, Inc., a Delaware corporation having its principal offices located at 12930 West Interstate 10, San Antonio, Texas 78249 (the “Assignor”). The Assignor is a wholly-owned subsidiary of 3M. Assignor owns rights in certain assets that both parties wish to have assigned to 3M, in exchange for which 3M is willing to manage the assets for the benefit of Assignor, or its 3M affiliate successor in interest, and the rest of the 3M corporate family.

The Assignor hereby assigns to 3M all of Assignor’s right, title and interest in and to:

- a. At least all trademark rights, which includes all rights existing or arising under the laws of any nation with respect to trademarks, service marks, trade dress, logos, trade names, certification marks, and corporate names or other proprietary designations of quality, or of product or service origin, together with all applications for registration, registrations, renewals, translations, adaptations, derivations, and combinations thereof and including all goodwill associated therewith (“Trademark Rights”);
- b. All licenses, contracts or agreements related to primarily to Trademark Rights by and between the Assignor and any third party that (i) are assignable to 3M without the need for the prior consent or approval of any third party; or (ii) are assignable to 3M only with prior consent or approval of a third party, which consent has been or is subsequently procured;
- c. All documents, files, or records related to Trademark Rights; and
- d. All rights to institute, maintain, defend, settle, appeal, or collect on any claim, action or proceeding against any third party related to the Trademark Rights, to recover losses, costs or damages and/or to seek injunctive relief to prevent the occurrence of the same, and otherwise to act in any manner with regard to the Trademark Rights that Assignor had any right or option to do prior to this assignment.

The provisions of this Agreement shall be deemed separable. If any provision in this Agreement is invalid or unenforceable, the Parties shall negotiate a substitute provision that is valid and enforceable, and most nearly effectuates the intent of the Parties as to the original provision.

Assignor agrees to execute all papers and to perform such other acts as 3M may reasonably request to secure for 3M or its designee the assets and rights herein assigned.

IN WITNESS WHEREOF, the parties have duly executed this Assignment.
