PRELIMINARY STATEMENTS

A. Grantor, PADMA, LLC, a Delaware limited liability company (“**Padma**”), LOTUS LIGHT ENTERPRISES, INC., a Wisconsin corporation (“**Lotus Light**”), LOTUS BRANDS, INC., a Wisconsin corporation (“**Lotus Brands**”), and SHAKTI, LLC, a Wisconsin limited liability company (“**Shakti**,” and together with Grantor, Padma, Lotus Light and Lotus Brands, the “**Borrowers**”), and the Lender are parties to a Loan Agreement dated as of the date hereof (such Loan Agreement, as amended or modified from time to time, including amendments and restatements thereof in its entirety, being hereinafter referred to as the “**Loan Agreement**”), pursuant to which the Lender has agreed, subject to certain terms and conditions, to make advances and make certain other financial accommodations available to the Grantor.

B. As a condition to the execution and delivery of the Loan Agreement, the Lender has required, among other things that the Grantor grant to the Lender, a lien on and security interest in certain property of Grantor.

C. The Borrowers, Lender, RUPA, LLC, a Wisconsin limited liability company, MOKSHA, LLC, a Wisconsin limited liability company, OTHALA LLC, a Georgia limited liability company, and World Tree Productions, LLC, a Georgia limited liability company, are parties to a Security Agreement dated as of the date hereof (such Security Agreement, as amended or modified from time to time, including amendments and restatements thereof in its entirety, being hereinafter referred to as the “**Security Agreement**”), pursuant to which the Grantor has granted a lien on and security interest in certain property of the Grantor as described therein.

D. Capitalized terms used herein without definition are used as defined in the Loan Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Lender to enter into the Loan Agreement and to induce the Lender to make its respective advancement of funds to the Grantor thereunder, the parties agree as follows:

1. **Grant of Security Interest.** Grantor hereby grants to Lender a Lien on and continuing security interest in all of its right, title and interest in, to and under the following Collateral (the “**Trademark Collateral**”):

(i) all of its trademarks and service marks, whether registered or not, and trademark applications, registrations, and like protections, including, without limitation,

each trademark, trademark application, and registration listed on Schedule A hereto, and all renewals and extensions of the foregoing (collectively, the “**Trademarks**”);

(ii) all goodwill of the business connected with the use of, and symbolized by the Trademarks; and

(iii) all income, royalties and proceeds of the foregoing at any time due or payable or asserted under and with respect to the foregoing, including without limitation any claim by Grantor against third parties for damages by reason of past, present or future infringement of any of the Trademarks, in each case together with the right to sue for and collect said damages;

to secure the payment and performance of all Obligations.

2. **Terms of Security Agreement Incorporated by Reference.** The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Lender pursuant to the Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of the Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of a conflict between the provisions of this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

3. **Grantor Remains Liable.** Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its trademarks and trademark applications subject to a security interest hereunder.

4. **Counterparts.** This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
