(each, a “Grantor”) and Golub Capital Markets LLC, as administrative agent and collateral agent (in such capacities, the “Agent”) for the ratable benefit of the Secured Parties (as defined in the Credit Agreement described below).

Reference is made to that certain Canadian Pledge and Security Agreement, dated as of March 4, 2020 (as supplemented to the date hereof and may be further amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “Security Agreement”), among the Grantors party thereto and the Agent. The Lenders (as defined below) have extended credit to FYi Eye Care Services and Products Inc., an Alberta corporation (the “Canadian Borrower”), FYi Medical Aesthetics Inc., an Alberta corporation (“Aesthetics Borrower”), FYi USA Inc. (the “U.S. Borrower” and, together with the Canadian Borrower and the Aesthetics Borrower, the “Borrowers”) under the Credit Agreement, dated as of March 4, 2020 (as amended to the date hereof and may be further amended, restated, amended and restated, supplemented or otherwise modified and in effect on the date hereof, the “Credit Agreement”), among, *inter alios*, the Borrowers, the lenders from time to time party thereto, as lenders (the “Lenders”), the Issuing Banks and Golub Capital Markets LLC, as administrative agent and collateral agent). Consistent with the requirements set forth in Sections 4.01 and 5.12 of the Credit Agreement and Section 4.03(c) of the Security Agreement, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement or the Credit Agreement, as applicable, provided that, all terms, definitions and other provisions of the Credit Agreement incorporated by reference into this Agreement shall be determined as if such terms, definitions and other provisions were interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable in the Province of Ontario.

SECTION 2. *Grant of Security Interest.* As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does pledge, collaterally assign, mortgage, transfer and grant to the Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a continuing security interest in all of its right, title or interest in, to or under all of the following assets, whether now owned or at any time hereafter acquired by or arising in favour of such Grantor and regardless of where located (collectively, the “IP Collateral”):

all Trademarks, including the Trademark registrations and registration applications in the Canadian Intellectual Property Office or the United States Patent and Trademark Office listed on Schedule I hereto, together with (a) all goodwill of the business symbolized by the foregoing; (b) all renewals of the foregoing; (c) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including damages, claims, and payments for past and future infringements, dilutions, or violations thereof; (d) all rights to sue for past, present, and future infringements, dilutions or violations of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (e) all rights corresponding to any of the foregoing throughout the world; but excluding any intent-to-use Trademark application prior to the filing and acceptance of a “Statement of Use”, “Declaration of Use”, “Amendment to Allege Use” or similar notice and/or filing with respect thereto, only to the extent, if any, that, and solely during the period if any, in which, the grant of such security interest may impair the validity or enforceability, or result in the voiding, of such intent-to-use Trademark application or any registration issuing therefrom under applicable Requirements of Law; and

all proceeds of the foregoing;

in each case to the extent the foregoing items constitute Collateral.

Each Grantor confirms that (i) value has been given by the Secured Parties to such Grantor, (ii) such Grantor has rights in the IP Collateral in which it has granted a security interest existing at the date of this Agreement, (iii) each of the Security Agreement and this Agreement constitutes a “security agreement” as such term is defined in the PPSA, (iv) the security interests created by the Security Agreement and this Agreement are intended to attach (a) with respect to IP Collateral that is now in existence, upon execution of this Agreement, and (b) with respect to Collateral that comes into existence in the future, upon such Grantor acquiring rights in the IP Collateral or the power to transfer rights in the Collateral to the Agent, and (v) such Grantor and the Agent have not agreed to postpone the time for attachment of the security interests granted hereunder in favour of the Agent to any of the IP Collateral of such Grantor.

SECTION 3. *Security Agreement.* The security interests granted to the Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. *Counterparts.* This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement shall become effective when the Agent shall have received a counterpart of this Agreement that bears the signature of each Grantor and the Agent has executed a counterpart hereof. Delivery of an executed signature page to this Agreement by facsimile transmission or by email as a “.pdf” or “.tiff” attachment shall be as effective as delivery of a manually signed counterpart of this Agreement.
