### AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Assignor, effective as of the Closing, does assign, transfer and convey to Purchaser without the necessity of any additional consideration, all right, title, and interest of the Assignor in and to all of the Intellectual Property used in the Business, including the Intellectual Property listed on Exhibit A attached hereto, and the goodwill and going concern value associated therewith, including any and all rights to obtain registrations of the Intellectual Property in the United States and throughout the world, and rights to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future infringements or violations of the Intellectual Property, all in Purchaser’s sole name.

2. This Intellectual Property Assignment may be executed in multiple separate counterparts, each of which shall be deemed to be an original, and all such separate counterparts shall constitute but one instrument. Signatures of the parties transmitted by facsimile, portable document format (“.pdf”) or other electronic means shall be deemed to be their original signatures for all legal and other purposes.

3. This Intellectual Property Assignment may be amended, modified or supplemented only by a writing signed by Assignor and Purchaser.

4. The invalidity of any provision of this Intellectual Property Assignment or portion of a provision shall not affect the validity of any other provision hereof or the remaining portion of the applicable provision.

5. Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to them in the Purchase Agreement. The rules of interpretation set forth in Section 8.9 of the Purchase Agreement shall apply to this Intellectual Property Assignment.
