TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (“Assignment”) is made effective as of the last date of signature below (the “Effective Date”), by and between Consolo Services Group, Inc., a Delaware corporation (“Assignor”) and WellSky Corporation, a New York corporation (“Assignee”).

WHEREAS, Assignor is the owner of all right, title and interest in and to the trademarks CONSOLO and the CONSOLO logo design, including all common law rights therein and the registrations therefor outlined on Schedule A, attached hereto and made a part hereof (collectively, the “Assigned Marks”); and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Assigned Marks, and Assignor desires to assign such right, title and interest to Assignee.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN:

1. **Recitals**. The above recitals are incorporated into this Assignment as if set forth fully herein.

2. **Assignment**. For and in consideration of ten dollars (\$10.00), and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby transfer, convey and assign to Assignee, and Assignee hereby accepts the transfer, conveyance, and assignment of, all of Assignor’s right, title, and interest, in law and in equity, throughout the world, in and to the Assigned Marks, together with all good will associated with or related to the Assigned Marks and the business or portion thereof to which the Assigned Marks pertain, including all common law rights therein and all rights and privileges granted and secured thereby, including, without limitation, the right to sue and recover for any past infringement, said rights to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors, assigns, or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made. If Assignor possesses any such rights that cannot be assigned to Assignee, Assignor waives the enforcement of such rights, and if Assignor has any rights that cannot be assigned or waived, Assignor hereby grants to Assignee an exclusive, irrevocable, perpetual, worldwide, fully paid license, with right to sublicense, to such rights.

3. **Recordation and Further Actions**. Assignor authorizes the Commissioner for Trademarks and any other governmental officials to record and register this Assignment upon request by Assignee. Assignor will take such steps and actions, including the execution of any documents, files, registrations, or other similar items, to ensure that the Assigned Marks are properly assigned to Assignee, or any assignee or successor thereto.

4. **Successors and Assigns**. This Assignment shall be binding upon and shall inure to the benefit of the Assignee and its successors and assigns.

5. Counterparts. This Assignment may be executed in counterparts, which collectively shall be deemed an original and which, taken together, shall constitute one and the same instrument, and may be transmitted by facsimile, email or other means.

IN WITNESS WHEREOF, Assignor and Assignee have each caused this Assignment to be executed by its duly authorized representative as of the dates written below.
