## INTELLECTUAL PROPERTY ASSIGNMENT

This Intellectual Property Assignment dated and effective as of April 15, 2022 (this “**IP Assignment**”) is made by Mat, Inc., a Minnesota corporation (“**Parent**”), Mat NuWood, LLC, a North Carolina limited liability company (“**Subsidiary**” and together with Parent, the “**Assignor**”), in favor of LSC Mat, LLC, a Delaware limited liability company (“**Assignee**”). All capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Asset Purchase Agreement dated as of April 15, 2022 (the “**Purchase Agreement**”), to which Assignor and Assignee are parties.

### RECITALS

A. Concurrently with the execution of this IP Assignment, Assignor is consummating the transactions contemplated by the Purchase Agreement, pursuant to which the Assignor has agreed to contribute, convey, transfer, assign and deliver to Assignee all of Assignor’s right, title and interest in and to, among other things, the Assigned Intellectual Property (as defined below); and

B. Assignor and Assignee desire to execute this IP Assignment for purposes of recording the assignment of the Assigned Intellectual Property (as defined below) and filing this IP Assignment with the United States Patent and Trademark Office and/or any other applicable intellectual property offices and/or similar agencies outside of the United States as may be necessary to effectuate the assignment of the Assigned Intellectual Property (as defined below).

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

### AGREEMENT

1. Assignment. Assignor hereby conveys, transfers, assigns and delivers to Assignee all of Assignor’s right, title and interest throughout the world in and to (a) the intellectual property (and the registrations and applications therefor) listed on Exhibit A and all goodwill corresponding thereto (collectively, the “**Assigned Intellectual Property**”) and (b) (i) all rights pertaining to the Assigned Intellectual Property arising under international treaties and convention rights; (ii) the right and power to assert, defend and recover title to the Assigned Intellectual Property; (iii) all rights to assert, defend, sue, and recover damages for any past, present and future infringement, misuse, misappropriation, impairment, unauthorized use or other violation of any rights in or to the Assigned Intellectual Property; (iv) all proceeds, income, royalties, damages and payments now and/or hereafter due and payable under and/or in respect of the Assigned Intellectual Property; and (v) all administrative rights arising from the Assigned Intellectual Property, including the right to prosecute applications and oppose, interfere with or challenge the applications of others, the rights to obtain renewals, continuations, divisions, and extensions of legal protection pertaining to the Assigned Intellectual Property.

2. Acceptance. The Assignee hereby accepts and receives all of Assignor's right, title and interest in and to the Assigned Intellectual Property in accordance with the terms hereof and the terms of the Purchase Agreement.

3. Counterparts; Signatures. This IP Assignment may be executed in one or more counterparts, all of which shall be considered one and the same agreement and will become effective when one or more counterparts have been signed by a party and delivered to the other parties. Copies of executed counterparts transmitted by fax or email shall be considered original executed counterparts for purposes hereof, provided that receipt of copies of such counterparts is confirmed.

4. Miscellaneous. This IP Assignment is subject in all respects to the terms and conditions of the Purchase Agreement. Nothing contained in this IP Assignment shall be deemed to supersede, enlarge, modify, or waive any of the representations, warranties, covenants or other agreements contained in the Purchase Agreement. To the extent any provision of this IP Assignment is inconsistent with the Purchase Agreement, the provisions of the Purchase Agreement shall control.

5. Successors. This IP Assignment shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors and permitted assigns.

6. Governing Law and Venue. This IP Assignment and the legal relations between the parties shall be governed by and construed in accordance with the laws of the State of Minnesota without giving effect to any choice or conflict of laws provision or rule and any dispute in connection with this IP Assignment shall be venued in the Sixth Judicial District in the City of Duluth, State of Minnesota.
