TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement, dated as of April 19, 2022, by each of the undersigned grantors (individually, a “**Grantor**” and collectively the “**Grantors**”), in favor of U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION, in its capacity as collateral agent pursuant to the Indenture (in such capacity, the “**Collateral Agent**”).

W I T N E S S E T H:

WHEREAS, each Grantor is party to a Security Agreement dated as of November 22, 2019 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Collateral Agent pursuant to which such Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and the acquisition of the Notes by the Holders thereof, each Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties a security interest in and to all of its right, title and interest in, to and under all the following Collateral (excluding any Excluded Assets) of such Grantor:

(a) registered Trademarks and Trademarks with respect to which applications for registration are pending listed on Schedule I attached hereto, together with all goodwill connected with the use of and symbolized thereby.

SECTION 2.1 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Collateral include or the security interest granted under Section 2 hereof attach to any “intent to use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent that granting a security interest in such Trademark application prior to such filing would impair the enforceability or validity of such Trademark application or any registration that issues therefrom under applicable federal Law.

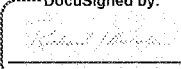

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with Section 6.11 thereof, the Collateral Agent shall, at the expense of each Grantor, execute, acknowledge, and deliver to such Grantor an instrument in writing in recordable form releasing the lien on and security interest in the Trademarks under this Trademark Security Agreement.

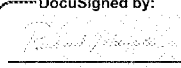

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.
