## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified from time to time, this "Agreement"), dated as of April 26, 2022, is entered into by RADIO DESIGN LABS, LLC, a Delaware limited liability company ("Grantor"), in favor of LIVE OAK BANKING COMPANY, in its capacity as Administrative Agent under the Credit Agreement described below ("Administrative Agent").

### W I T N E S S E T H

WHEREAS, the Grantor, VOPNE RDL HOLDINGS, LLC, a Delaware limited liability company, Administrative Agent and Lenders have entered into a certain Credit Agreement of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement") providing for the extensions of credit to be made to the Grantor by Administrative Agent and Lenders, subject to the terms and conditions set forth therein;

WHEREAS, in order to induce Administrative Agent and Lenders to make the loans and other financial accommodations provided for in the Credit Agreement and in consideration of the foregoing and for other good and valuable consideration, the Grantor, certain affiliates of the Grantor and Administrative Agent have entered into a certain Security Agreement of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"); and

WHEREAS, pursuant to the terms of the Security Agreement, the Grantor has granted to Administrative Agent, for its benefit and the benefit of the Lenders, a security interest in substantially all of the assets of the Grantor, including all right, title and interest of the Grantor in, to and under all now owned and hereafter acquired or arising, in each case to the extent constituting Collateral: (a) trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other business identifiers, prints and labels on which any of the foregoing have appeared or appear, all registrations and recordings thereof, and all applications in connection therewith (other than "intent to use" applications until a verified statement of use or an amendment to alleged use is filed with respect to such applications); (b) all renewals thereof; (c) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing, under licenses of any of the foregoing, or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing; (d) the right to sue for past, present and future infringements of any of the foregoing; (e) all rights corresponding to any of the foregoing throughout the world; and (f) all goodwill associated with and symbolized by any of the foregoing (collectively, "Trademarks"), and all products and proceeds thereof, to secure the payment and performance of the Grantor's Obligations under the Credit Agreement and the other Loan Documents.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

1. Incorporation of Security Agreement. The Security Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference

thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Security Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Obligations, the Grantor hereby grants to Administrative Agent, for its benefit and the benefit of Lenders, and hereby reaffirms its prior grant pursuant to the Security Agreement of, a continuing security interest in the Grantor's entire right, title and interest in and to the following, whether now owned or existing or hereafter created or acquired:

(a) each Trademark listed on Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(b) all products and proceeds of the foregoing, including without limitation, any claim by the Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark, or (ii) injury to the goodwill associated with any Trademark.

3. Warranties and Representations. The Grantor warrants and represents to Administrative Agent and Lenders that:

(a) except as otherwise disclosed or permitted in the Security Agreement, the Grantor is the sole and exclusive owner of, or has the right to use, free from any Liens or other restrictions, claims, rights, encumbrances, licenses, covenants not to sue or burdens (other than Permitted Liens), each Trademark;

(b) The Grantor has no notice of any suits or actions commenced or threatened with reference to any Trademark, except as could not reasonably be expected to have a Material Adverse Effect; and

(c) The Grantor has the corporate power and authority to execute and deliver this Agreement and perform its terms.

4. New Trademarks; Authorization to Supplement. The Grantor represents and warrants that the Trademarks listed on Schedule 1 constitute all of the federally registered Trademarks and applications therefor now owned by the Grantor. If, before the Grantor's Obligations (other than contingent indemnification obligations for which no claim has been asserted) shall have been satisfied in full or before the Credit Agreement has been terminated, the Grantor shall (i) become aware of any existing federally registered Trademarks of which the Grantor has not previously informed Administrative Agent, or (ii) become entitled to the benefit of any federally registered Trademarks, which benefit is not in existence on the date hereof, the provisions of this Agreement shall automatically apply thereto and the Grantor shall give to Administrative Agent prompt written notice thereof. The Grantor hereby authorizes Administrative Agent unilaterally to modify this Agreement by amending Schedule 1 to include any such Trademarks. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from Administrative Agent's continuing security interest in all Collateral, whether or not listed on Schedule 1.

5. Duties of Grantor. The Grantor shall ensure that any material Trademarks are and remain enforceable. Any expenses incurred in connection with the Grantor' obligations under this Section 5 shall be borne by the Grantor.

6. Administrative Agent's Right to Sue. After the occurrence and during the continuance of an Event of Default, Administrative Agent shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Administrative Agent shall commence any such suit, the Grantor shall, at the request of Administrative Agent, do any and all lawful acts and execute any and all proper documents reasonably required by Administrative Agent in aid of such enforcement and the Grantor shall promptly, upon demand, reimburse and indemnify Administrative Agent for all reasonable costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred by Administrative Agent in the exercise of its rights under this Section 6.

7. Cumulative Remedies; Power of Attorney. All of Administrative Agent's rights and remedies with respect to the Trademarks, whether established hereby or by the Security Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. The Grantor hereby authorizes Administrative Agent upon the occurrence and during the continuance of an Event of Default, to make, constitute and appoint any officer or agent of Administrative Agent as Administrative Agent may select, in its sole discretion, as the Grantor's true and lawful attorney-in-fact, with power to (i) endorse the Grantor's name on all applications, documents, papers and instruments necessary or desirable for Administrative Agent in the use of the Trademarks or (ii) take any other actions with respect to the Trademarks as Administrative Agent deems to be in the best interest of Administrative Agent and Lenders, or (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. The Grantor hereby ratify all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Grantor' Obligations (other than contingent indemnification obligations for which no claim has been asserted) shall have been satisfied and the Security Agreement has been terminated. The Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Administrative Agent and Lenders under the Security Agreement, but rather is intended to facilitate the exercise of such rights and remedies. Administrative Agent shall have in addition to all other rights and remedies given to it by the terms of this Agreement and the Security Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in North Carolina. The Grantor hereby further acknowledges and agrees that the use by the Grantor of the Trademarks shall be worldwide, except as limited by their terms, and without any liability for royalties or related charges from Administrative Agent to the Grantor.

8. Counterparts. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement may be signed by facsimile signatures or other electronic delivery of an image file (e.g. e-mail transmission of a .pdf file) reflecting the execution hereof, and, if so signed: (i) may be relied on by each party as if the document were a manually signed original and (ii) will be binding on each party for all purposes.
