This release of security interest is executed by JPMorgan Chase Bank, N.A. ("Agent") in its capacity as agent for itself and for the benefit of the holders of the Secured Obligations in the Security Agreement dated May 20, 2016 (as amended, modified, extended, restated or otherwise modified from time to time) by and among Agent and the Grantors party thereto. All capitalized terms not otherwise defined herein shall have the respective meanings given in the Security Agreement dated May 20, 2016.

WHEREAS, pursuant to the Security Agreement dated May 20, 2016, Nook Industries, Inc. ("Nook") granted to the Agent a security interest ("Grant") in (i) certain of the Nook's patents and patent applications ("Patents"), including the patents and patent applications set forth on Schedule A and (ii) certain of Nook's trademark registrations and applications for registration ("Trademarks"), including the trademark registrations and applications for registration set forth on Schedule B.

WHEREAS, Nook and Agent now wish to provide a document suitable for recording in the United States Patent and Trademark Office for purposes of recording the release, relinquishment and discharge of the Agent's security interest in the Patents and Trademarks;

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, the Agent, for itself and for the holders of the Secured Obligations, hereby, as of December 31, 2021, relinquishes, releases and discharges its security interest in the Patents and Trademarks conveyed to Agent pursuant to the Security Agreement dated May 20, 2016, and/or any other agreement, and Agent hereby reassigns to Nook any and all such right, title and interest that it may have in (i) the Patents, the inventions described and claimed therein, all reissues, continuations, continuations-in part, and divisionals of the foregoing, all rights to sue at law or in equity for any infringement or other impairment of the Patents including any past infringement or other impairment, including the right to receive all proceeds and damages thereof, and any other right, title and interest Agent may still have in the Patents, and (ii) the Trademarks, the goodwill associated with the Trademarks, all rights to sue at law or in equity for any infringement or other impairment of the Trademarks including any past infringement or other impairment, including the right to receive all proceeds and damages thereof, and any other right, title and interest Agent may still have in the Trademarks. Agent further agrees to execute and deliver to Grantors any and all further documents or instruments and do any and all further acts which Grantors (or Grantors' agents or designees) reasonably request, all at the sole expense of Grantors, in order to confirm Nook's right, title and interest in and to the Patents and Trademarks and that Agent makes no further claim to any right, title or interest in or to any of the Patents and Trademarks.

IN WITNESS WHEREOF, Agent has caused this Release of Security Interest to be duly executed and effective as of as of December 31, 2021.
