1. The undersigned Assignor, HOMESTEADER, INC. (hereinafter, "Assignor"), a Tennessee Corporation having an address at 511 Old Highway 33, New Tazewell, TN 37825-6827, as of an effective date of January 1, 2019, has assigned, conveyed, and transferred and does, for confirmation purposes, hereby assign, convey, and transfer to Homesteader, LLC (hereinafter, "Assignee"), a Tennessee limited liability company, having a business address at 511 Old Highway 33, New Tazewell, TN 37825-6827, its successors, assigns, and legal representatives, the entire right, title and interest of Assignor in and to:
 - a. any and all trademarks listed in attached Schedule A and any and all goodwill associated therewith as well as any common law trademark rights in said trademarks throughout the United States and its territories as well as any and all copyrights owned by Assignor including copyrights in any logo designs or other copyrightable subject matter owned by Assignor (hereinafter, collectively, "Intellectual Property"); and
 - b. any and all rights of action for infringement, including past infringement, anywhere throughout the United States (hereinafter, "the Territory");
2. Assignor further covenants with Assignee, its successors, assigns and legal representatives and represents and warrants that no assignment, grant, mortgage, or pledge affecting the rights and properties herein conveyed has been made by Assignor to any person or entity other than Assignee, that the full right to assign, transfer, and convey the same as herein expressed is possessed by Assignor, and that Assignor will not hereafter assign or attempt to assign any rights therein, or take any other action inconsistent with this Assignment.
3. Assignor pledges and agrees to do all acts and execute all other documents reasonably requested by Assignee in order to insure, confirm, or establish that Assignee owns all of Assignor's right, title, and interest in and to the subject matter (including all inventions and improvements) disclosed in the Intellectual Property and that any and all other interests and rights appurtenant thereto owned by Assignor including, but not limited to, all such rights and interests referred to herein are owned and possessed by Assignee.
4. All costs and charges required for and/or related to the filing of other applications and/or the registration of the present Assignment in the Territory, including, but not limited to, official and governmental fees, shall be borne by Assignee.
5. Assignor authorizes and empowers Assignee to sign all documents and all acts that are required to register this Assignment and any related document that gives legal force to this Assignment, and to apply for and obtain, in its own name, trademark and copyright registrations for said Intellectual Property before the competent governmental authorities throughout the Territory wherever applications can be so filed, or a registration for Intellectual Property can be so obtained.
6. In the event that, after the date of signing of this Assignment, Assignor is unable for any reason whatsoever to sign or deliver any document required under this Assignment, Assignor hereby irrevocably designates Assignee to act for and on its behalf, to execute and file any such document, and to do all other legal acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor.
