## INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified from time to time, this “IP Security Agreement”) dated as of April 27, 2022 is made by APPLIED BUSINESS SOFTWARE, INC., a Delaware corporation, having its principal place of business in California (“Debtor”), in favor of SUNFLOWER BANK, N.A. (“Secured Party”).

WHEREAS, at the time of the execution of this IP Security Agreement, the Lender has agreed to make extensions of credit to Debtor and ABS INTERMEDIATE HOLDINGS, LLC, a Delaware limited liability company (collectively, whether one or more as the context may require, the “Borrower”) pursuant to the provisions of a Credit Agreement dated as of April 27, 2022, by and between Borrower and Secured Party (as may be amended, the “Credit Agreement”); and

WHEREAS, as a condition precedent to the making of the loans by Secured Party under the Credit Agreement, Debtor has agreed to grant to Secured Party a security interest in all Intellectual Property of Debtor; and

WHEREAS, Debtor has agreed to execute this IP Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office and other governmental authorities;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. Definitions. Terms defined in the Credit Agreement have the same meanings when used herein unless otherwise defined herein or the context hereof otherwise requires.

2. Grant of Security. Debtor hereby grants to Secured Party a security interest in all of Debtor’s right, title and interest in and to the following (the “Collateral”):

(i) the trademark and service mark registrations and applications set forth in Schedule B hereto, together with the goodwill symbolized thereby (the “Trademarks”);

(ii) all copyrights, whether registered or unregistered, now owned or hereafter acquired by Debtor, including, without limitation, the copyright registrations and applications and copyright licenses set forth in Schedule B hereto (the “Copyrights”);

(iii) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of Debtor accruing thereunder or pertaining thereto;

(iv) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(v) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

3. Security for Liabilities. The grant of a security interest in the Collateral by Debtor under this IP Security Agreement secures the prompt and complete payment and performance when due of all Obligations.

4. Recordation. Debtor authorizes and requests that the Register of Copyrights and the Commissioner for Trademarks and any other applicable governmental authority record this IP Security Agreement.

5. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

6. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Credit Agreement and the Security Agreement. Debtor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, Secured Party with respect to the Collateral are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

7. Governing Law. This IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of Texas.
