INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT is made as of April 25, 2022 by **8708975 CANADA INC.** and by **THREAD COLLECTIVE INC.** (collectively or individually, as the context may dictate, the “**Grantor**”) in favour of **CANADIAN IMPERIAL BANK OF COMMERCE**, as agent for the Lenders (as defined in the Credit Agreement (as hereinafter defined)) (in such capacity, the “**Agent**”).

RECITALS:

- A. Reference is made to the credit agreement made as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”) among, inter alios, Thread Collective Inc., Imperial Apparel Group Inc. and Stormpack Leisurewear Inc., as borrowers (collectively, the “**Borrowers**”), 8708975 Canada Inc., as guarantor and the Agent, pursuant to which the Agent has agreed to establish certain credit facilities in favour of the Borrowers accordance with the terms and conditions therein.
- B. The Grantor has agreed to grant a security interest and assignment, mortgage, charge in the Intellectual Property Collateral (as hereinafter defined) to the Agent, in order to secure the performance of the Secured Obligations.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are conclusively acknowledged by the Grantor, the Grantor agrees and covenants with the Agent as follows:

1. Defined Terms.

Capitalized terms used herein without definition are used as defined in the Credit Agreement. In addition, in this Agreement, unless the context otherwise requires, the following words and expressions shall have the meanings set forth below:

“**Agreement**” means this intellectual property security agreement, including its recitals and schedules, as amended, restated, supplemented or otherwise modified from time to time; and

“**Security Agreement**” means, collectively, the separate general security agreements , dated on or about the date hereof between, among others, each Grantor and the Agent, as amended restated, supplemented or otherwise modified from time to time.

2. Grant of Security Interest in Intellectual Property Collateral.

Each Grantor, as collateral security for the prompt and complete payment and performance of its Secured Obligations hereby grants to the Agent a security interest in all of its right, title and interest in, to and under the following collateral of the Grantor (the “**Intellectual Property Collateral**”):

- (a) all patents and patent applications, domestic or foreign, all licenses relating to any of the foregoing (collectively, the “**Patents**”), including, without limitation those Patents listed on Schedule A hereto;

- (b) all copyrights and applications for copyright, domestic or foreign, together with the underlying works of authorship (including titles), whether or not the underlying works of authorship have been published and whether said copyrights are statutory or arise under the common law, and all other rights and works of authorship, all computer programs, computer databases, computer program flow diagrams, source codes, object codes and all tangible property embodying or incorporating any copyrights, all licenses relating to any of the foregoing (collectively, the “**Copyrights**”), including, without limitation those Copyrights listed on Schedule A hereto;
- (c) all trade-marks, service marks and trade names, and applications for registration of such trade-marks, service marks and trade names, all licenses relating to any of the foregoing (collectively, the “**Trademarks**”) and all income and royalties with respect to any licenses, whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof, including, without limitation those Trademarks listed on Schedule A hereto; provided that Trademarks do not include any “intent to use” trademark applications prior to the filing of an amendment to allege actual use in commerce or the filing of a verified statement of use;
- (d) all industrial designs, intangibles of like nature and any designs subject to the industrial designs laws of the United States or any other country or any political subdivision thereof and all applications in connection therewith (collectively, the “**Designs**”), including, without limitation those Designs listed on Schedule A hereto;
- (e) all income and royalties with respect to any of the foregoing, whether registered or unregistered and wherever registered, all rights to sue for past, present or future infringement or unconsented thereof, all rights arising therefrom and pertaining thereto and all reissues, divisions, continuations, continuations-in-part, extensions and renewals thereof;
- (f) the entire goodwill of or associated with the businesses now or hereafter conducted by the Grantor connected with and symbolized by any of the aforementioned properties and assets; and
- (g) all accounts, all intangible intellectual or other similar property and other general intangibles associated with or arising out of any of the foregoing and not otherwise described above.

3. Security Agreement.

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interest in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

4. Counterparts.

This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. The words "execution", "signed", "signature", and words of like import in this Agreement shall be deemed to include electronic signature or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper based recordkeeping system, as the case may be.

5. Termination.

The Grantor will be discharged from the Secured Obligations and this Agreement as set forth in Section 12 of the Security Agreement, applied hereto mutatis mutandis. Upon such discharge, this Agreement shall terminate and the Agent shall, at the expense of the Grantor, make and do all such acts and things and execute, and deliver all such other instruments, agreements and documents as may be necessary to discharge all registrations or notices filed or registered in respect of the security interest.

6. Governing Law.

This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

[Signature Pages Follow]

IN WITNESS WHEREOF, the Grantor has executed Agreement as of the date first written above.
