TRADEMARK ASSIGNMENT AGREEMENT

THIS AGREEMENT (the "Agreement") dated December 13, 2021 (the "Effective Date")

BETWEEN:

JVIC CATALYST SERVICES, LLC a Delaware limited liability company

AND:

JVIC CATALYST SERVICES CANADA LTD. a British Columbia corporation

AND:

JVIC CATALYST SERVICES CANADA GP LTD. a British Columbia corporation

(collectively, the "Assignors")

AND:

QUANTA ASSOCIATES, L.P. a Texas limited partnership

(the "Assignee")

(the Assignors and the Assignee are hereinafter sometimes collectively referred to as the "Parties" and individually as a "Party")

WHEREAS the Assignors are the owners of all right, title and interest, including without limitation, common law trademarks in and to, and rights to the Canadian trademark applications and registrations for the marks identified in Schedule "A" to this Agreement (the "Trademarks").

AND WHEREAS the Assignee desires to acquire all right, title and interest in and to the Trademarks together with the goodwill of the business symbolized by the Trademark as a successor to the business of Assignors, or the portion thereof to which the Trademarks pertain.

NOW THEREFORE THE PARTIES HERETO AGREE AS FOLLOWS:

1 ASSIGNMENT

1.1 For \$1.00 and other good and valuable consideration, the receipt of which is hereby acknowledged by the Assignors, the Assignors hereby assign, sell and transfer to the Assignee (as successor to the Assignors' business to which the Trademarks pertain and such business is ongoing and existing), for the Assignee's benefit and the benefit of its successors and assigns, all of the Assignors' worldwide rights, title and interest in and to the Trademarks, including, without limitation, all common law rights and the goodwill associated with the Trademarks in Canada and elsewhere in the world including all applications and registrations in respect thereof, and the right to file further applications in

any country for the Trademarks and to receive registrations therefor, provided that with respect to intent-to-use applications, the transfer of the applications accompanies that portion of the business to which the trademark pertains and the goodwill of that portion of the Assignors' business symbolized thereby, and that the business is ongoing and existing. The Assignors agree not to oppose any application by the Assignee for the Trademarks in any country.

2 COMMITMENTS

- 2.1 Each Party will execute and deliver such further agreements and other documents and do such further acts and things as the other Party reasonably requests to evidence, carry out or give full effect to the intent of this Agreement and to establish that the Assignor do not have any other right, title or interest in and to the Trademarks or any applications or registrations in respect thereof.

3 GENERAL PROVISIONS

- 3.1 **Modification.** This Agreement constitutes the Parties' entire understanding relating to its subject matter, and supersedes and replaces all previous negotiations, representations and any other agreement or understanding between them relating to the same subject matter. The Preamble is hereby incorporated by reference and made a part of this Agreement. Any modification and/or amendment to this Agreement must be in writing and executed by all Parties.
- 3.2 **Binding Agreement.** The terms of this Agreement shall bind the Parties and their respective successors, heirs and permitted assigns.
- 3.3 **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
- 3.4 **Severability.** If any term or provision of this Agreement or the application thereof shall be invalid or unenforceable, such term or provision shall be severed from this Agreement and the remainder of this Agreement shall be unaffected thereby and each remaining term or provision of this Agreement shall be valid and be enforced to the fullest extent permitted by law.
