This Agreement is made on February 28, 2020, by and between WebMagic Ventures, LLC, a California limited liability company ("Assignor"), and Glendale & 43rd LLC, a California limited liability company ("Assignee") (collectively the "Parties"). This Trademark Assignment Agreement ("Agreement") will define the terms of the assignment of the Trademark from Assignor to Assignee.

RECITALS

WHEREAS, Assignor is the sole and exclusive owner of the Trademarks for the marks identified more fully in the attached Schedule A, (the "Trademarks"), and further is the owner of business goodwill related therewith; and

WHEREAS, Assignee desires to acquire all Assignor's right, title, and interest in and to the Trademarks and all business goodwill related therewith;

NOW THEREFORE, in exchange for the mutual promises contained herein, and for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties agree to be legally bound to the terms of this Agreement.

- 1. Assignment of Trademark Rights.** Be it known that in consideration of the payment by Assignee to Assignor and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee Assignor's right, title, and interest in and to the Trademarks, and the business goodwill associated therewith, including, without limitation, all renewals therefor, all proceeds therefor (including, but not limited to, all license royalties and proceeds of infringement suits), the right to sue for past, present, and future infringements, and the goodwill of the business associated with and symbolized by the Trademarks.
- 2. Assignment of Goodwill.** The Trademarks are being assigned in conjunction with the goodwill associated therewith, as well as with the right to sue for past, present, and future infringements. The Parties recognize and agree that an assignment of a trademark without the assignment of the associated goodwill would be invalid.
- 3. Recording.** Assignee shall be responsible from the date hereof, for the recording of this Assignment with the USPTO.

This Trademark Assignment Agreement may be executed electronically in counterparts. IN WITNESS WHEREOF, this Assignment has been duly executed on the day and year first above written.
