TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of April 28, 2022 (as it may be amended, restated, supplemented or otherwise modified from time to time, this “**Agreement**”), is made by **BOCA OWNER, LLC**, a Delaware limited liability company (“**Grantor**”), in favor of **CITI REAL ESTATE FUNDING INC.**, a New York corporation, as agent for itself, **GOLDMAN SACHS BANK USA**, a New York state-chartered bank, **BANK OF AMERICA, N.A.**, a national banking association, and the other lenders from time to time under the Loan Agreement (as defined herein) and their respective successors and permitted assigns (together with its successors and permitted assigns, “**Lender**”).

WHEREAS, Lender has agreed to make the Loan to Grantor pursuant to certain Loan Agreement, dated as of April 28, 2022, by and among Grantor, **BOCA BUNGALOWS OWNER, LLC** and **BOCA PREMIER CLUB OWNER, LLC**, each a Delaware limited liability company (collectively, “**Borrower**”), and Lender (the “**Loan Agreement**”).

WHEREAS, as a condition of the Loan Agreement, Borrower and Lender have entered into that certain Notice of Future Advance and Amended and Restated Fee and Leasehold Mortgage, Assignment of Leases and Rents, Security Agreement and Fixture Filing, dated as of the date hereof (the “**Mortgage**”).

WHEREAS, pursuant to the Mortgage, Grantor granted a security interest to Lender in the Trademark Collateral (as defined below) and is required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantor hereby agrees with Lender as follows:

SECTION. 1. Defined Terms

All capitalized terms used but not otherwise defined herein shall have the meanings assigned to them in the Loan Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral

SECTION 2.1 Grant of Security. Grantor hereby grants to Lender a security interest in and continuing lien on, all of Grantor’s right, title and interest in, to and under the following, in each case whether now owned or existing or hereafter acquired, developed, created or arising and wherever located (collectively, the “**Trademark Collateral**”):

all U.S. trademarks, service marks, trade names, corporate names, business names, trade dress, logos, domain names, social media accounts and handles, and other source or business identifiers of like nature, including, without limitation, the following: (i) all registrations and applications therefor, including, without limitation, the registrations and applications listed in Schedule A attached hereto (as such schedule may be amended or supplemented from time to time), (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by any of the foregoing, (iv) the right to sue or otherwise recover for any past, present and future infringement, dilution or other violation of any of the foregoing or for any injury to the related goodwill, (v) all proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages, and proceeds of suit now or hereafter

due and/or payable with respect thereto, and (vi) all other rights of any kind accruing thereunder or pertaining thereto throughout the world.

For the avoidance of doubt, this Agreement is not to be construed as an assignment of any Trademark Collateral.

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include, or the security interest granted under Section 2.1 hereof attach to, any “intent-to-use” application for registration of a trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

SECTION 3. Security Agreement

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to Lender pursuant to the Mortgage, and Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Mortgage, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Mortgage, the provisions of the Mortgage shall control.

SECTION 4. Recordation

Grantor authorizes the Director of Patents and Trademarks of the United States Patent and Trademark Office and any other government officials to record and register this Agreement upon request by Lender.

SECTION 5. Termination

Subject to the terms of the Loan Agreement and the Mortgage, following the termination of the Mortgage and upon payment in full of all amounts due and payable under the Loan Agreement and performance in full of all obligations of Borrower under the Loan Agreement and the Mortgage, upon written request of Grantor, Lender shall (at Grantor’s sole cost and expense) execute and deliver to Grantor or otherwise authorize the filing of a document, in a form and substance reasonably satisfactory to Lender, releasing the collateral pledge, grant, lien and security interest in the Trademark Collateral under this Agreement.

SECTION 6. Governing Law

This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without regard to conflicts of laws principles thereof.

SECTION 7. Counterparts

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an

executed signature page to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 8. Exculpation

The provisions of Section 9.3 of the Loan Agreement are hereby incorporated by reference into this Agreement to the same extent and with the same force as if fully set forth herein.

SECTION 9. Successors and Assigns

This Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.
