PARTIAL RELEASE OF INTELLECTUAL PROPERTY
SECURITY INTEREST

May 6, 2022

WHEREAS, by (a) an Intellectual Property Security Agreement, dated as of April 16, 2013, recorded with the United States Patent and Trademark Office at Trademark Reel/Frame 5008/0340 and (b) an Intellectual Property Security Agreement, dated as of June 11, 2021, recorded with the United States Patent and Trademark Office at Patent Reel/Frame 56589/0932 and Trademark Reel/Frame 7325/0922, Cenveo Worldwide Limited and LightningLabels.com, LLC (each, an “Assignor” and collectively, the “Assignors”), assigned to and granted to Bank of America, N.A., as administrative agent and as collateral agent (the “Assignee”), a security interest in all right, title and interest of the Assignors in and to the trademarks and patents listed on Schedule A hereto (the “Intellectual Property”) as well as other trademarks and patents; and

WHEREAS, Assignee wishes to provide a document suitable for recording in the United States Patent and Trademark Office for purposes of recording the release, relinquishment, discharge, termination and cancellation of all of its security interest solely in the Intellectual Property listed on Schedule A hereto (the “Released Intellectual Property”);

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, Assignee hereby relinquishes, releases, discharges, terminates and cancels all of its security interest in the Released Intellectual Property, without recourse or representation or warranty, express or implied, of any kind. Nothing contained herein shall constitute or be construed as a release, discharge or termination by Assignee of its security interest, or any other right, title and interest, Assignee may have in any Intellectual Property (other than the Released Intellectual Property as set forth herein), which shall continue in full force and effect.

1. Further Assurances. The Assignee agrees to take all further actions, and provide to each of the Assignors all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), in each case as reasonably requested by such Assignor, and at such Assignor’s sole cost and expense, to more fully and effectively effectuate the purposes of this Release of Intellectual Property Security Interest (this “Release”).

2. Counterparts. This Release may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute this Release by signing any such counterpart. Each Assignor acknowledges that delivery of an executed counterpart of a signature page of this Release by fax or electronic mail transmission shall be effective as delivery of a manually executed counterpart of this Release.

3. Severability. Any provision in this Release that is held to be inoperative, unenforceable or invalid in any jurisdiction shall, as to that jurisdiction, be inoperative, unenforceable or invalid without affecting the remaining provisions in that jurisdiction or the operation, enforceability or validity of that provision in any other jurisdiction, and to this end the provisions of this Release are declared to be severable.

4. Governing Law. This Release and any right, remedy, obligation, claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this Release shall be governed by, and construed in accordance with, the law of the State of New York.
