## EXHIBIT A-1

### RECORDABLE CONFIRMATORY TRADEMARK ASSIGNMENT (US)

This Recordable Confirmatory Trademark Assignment ("Trademark Assignment"), effective as of January 31, 2022 ("Effective Date"), is made by and between Mountrigi Management Group, Ltd., a public limited company in Switzerland ("Assignor") and TU IP Co 1, LLC, a Delaware limited liability company ("Assignee") (collectively referred to as the "Parties").

WHEREAS, pursuant to the Intellectual Property Assignment Agreement between the Parties dated as of January 31, 2022 (the "IP Assignment Agreement"), Assignor has transferred and assigned to Assignee, and Assignee has acquired and accepted from Assignor, all of Assignor's right, title and interest in, to and under the trademark registrations and trademark applications identified on Schedule A attached hereto (collectively, the "Trademarks"), including the goodwill associated with such Trademarks; and

WHEREAS, the Parties wish to record such assignment in the United States Patent and Trademark Office (the "USPTO").

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Parties hereby agree as follows:

Capitalized terms used herein and not defined herein have the meanings set forth in the IP Assignment Agreement.

Pursuant to the IP Assignment Agreement, Assignor hereby irrevocably assigns to Assignee, and Assignee hereby accepts, all of its rights, title and interest in and to the Trademarks as of the Effective Date, including any and all goodwill appurtenant thereto held by Assignor, together with (i) all income, royalties and payments now or hereafter due or payable and the right to sue and recover and retain damages and profits for past, present and future infringement, misappropriation or other violation of the foregoing, if any, and (ii) all other rights in the Trademarks, including common law rights that exist with respect to the Trademarks. The Assigned Trademarks shall be held and enjoyed by Assignee, its successors and assigns as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

Notwithstanding anything to the contrary contained herein, the Trademarks shall not include any application for registration of a Trademark that would be invalidated, canceled, voided or abandoned due to the contribution, assignment and/or conveyance of the Trademarks hereunder, including intent-to-use applications filed with the USPTO pursuant to 15 USC Section 1051(b) prior to the filing of a statement of use or amendment to allege use pursuant to 15 USC Section 1051(c) or (d), unless and until such time that the contribution, assignment and/or conveyance of the Trademarks hereunder will not cause such Trademark to be invalidated, cancelled, voided or abandoned.

Assignor hereby authorizes the Commissioner for Trademarks in the USPTO and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment.

This Trademark Assignment is subject to all the terms and conditions of the IP Assignment Agreement. The Parties intend that this Trademark Assignment is for recordation purposes only and its terms shall not modify and shall be subject to the applicable terms and conditions of the IP Assignment Agreement, which govern the Parties' rights and interests in the Assigned Trademarks.

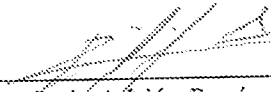

This Trademark Assignment shall be governed by and construed and enforced in accordance with the substantive laws of the State of Delaware, without regard to its conflict of laws rules or principles.

This Trademark Assignment may be executed by the Parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute a single agreement.
