**TRADEMARK SECURITY AGREEMENT**

THIS TRADEMARK SECURITY AGREEMENT (this “**Agreement**”), dated as of April 29, 2022 is made by INDIANA LIMESTONE ACQUISITION, LLC (“**Grantor**”) in favor of BANK OF MONTREAL, in its capacity as administrative agent (together with its successors and assigns, the “**Agent**”), on behalf of (i) itself, as Agent, and (ii) the Lenders, Hedge Lenders and Service Lenders (as such terms are defined in the Credit Agreement referred to below).

WHEREAS, the Grantor owns the Trademarks (as hereinafter defined) set out in Schedule 1 annexed hereto;

AND WHEREAS, the Grantor and the Agent are parties to a Senior Secured Credit Agreement dated April 29, 2022 (as amended, extended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”). Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Credit Agreement;

AND WHEREAS, as security for its obligations under the Loan Documents, Eligible Hedging Agreements and Other Secured Agreements (together with each addendum thereto) the Grantor has agreed to grant to the Agent a security interest in the Trademark Collateral (as defined below) and to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby grants to the Agent a security interest in all of the Grantor’s right, title and interests in the trademarks (including service marks), slogans, logos, designs, certification marks, trade dress, corporate names, trade names, domain names or other indicia of source, whether registered or unregistered, owned by, assigned to, or in the case of intent-to-use trademarks, held for use by the Grantor and all registrations and applications for the foregoing in the United States (“**Trademarks**”), including those trademark registrations and applications listed on Schedule 1 annexed hereto, together with any and all of the Grantor’s right, title and interests in (i) rights and privileges arising under applicable requirements of law with respect to such Grantor’s use of any of the foregoing, (ii) goodwill associated therewith, (iii) continuations, extensions and renewals thereof and amendments thereto, (iv) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements, dilutions or violations thereof or unfair competition therewith, (v) rights corresponding thereto throughout the world and (vi) rights to sue for past, present and future infringements, dilutions or violations thereof or unfair competition therewith (“**Trademark Collateral**”). Notwithstanding the foregoing, the Trademark Collateral does not include any intent-to-use application for registration of a trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051 (each, an “Intent-to-Use Application”) for so long as the applicable Intent-to-Use Application comprises Excluded Collateral (as defined in the Credit Agreement).

Grantor hereby authorizes and requests that the United States Patent and Trademark Office record this Trademark Security Agreement.

This security interest is granted in conjunction with the security interests granted to the Agent pursuant to that certain pledge and security agreement dated as of April 29, 2022, between, among others, the Grantor and the Agent (the “**Pledge and Security Agreement**”). The parties do hereby further acknowledge and affirm that the rights and remedies of the parties with respect to

the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Pledge and Security Agreement, the terms of the Pledge and Security Agreement shall control.

This Agreement may be executed in counterparts, each of which will be deemed to be an original and which together will constitute one and the same agreement.

For the avoidance of doubt, the words "delivery," "execute," "execution," "signed," "signature," and words of like import in this Agreement shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that notwithstanding anything contained herein to the contrary the Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Agent pursuant to procedures approved by it; *provided, further*, without limiting the foregoing, upon the request of the Agent, any electronic signature shall be promptly followed by such manually executed counterpart.

This Agreement shall, except to the extent that the laws of another jurisdiction apply to the Trademarks or any part thereof, be governed by and construed in accordance with the internal laws of the State of New York, without regard to conflicts of law principles.

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first written above.
