TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment"), is made as of the 3rd day of May, 2022, by and between Mischief Makers Local 816, LLC (the "Assignor"), and FTG1, LLC (the "Assignee").

RECITALS

WHEREAS, Assignor and Assignee are parties to a Bill of Sale and Purchase Agreement effective May 3, 2022 (the "Effective Date") pursuant to which Assignee has acquired certain assets from Assignor including all of Assignor's right, title and interest in and to the trademarks identified on Schedule A (collectively, the "Trademarks") together with (i) any and all goodwill of the business associated with the Trademarks (the "Goodwill") and (ii) any and all causes of action, claims and demands arising from any infringement, including past infringements, of the Trademarks ("Causes of Action"); and

WHEREAS, Assignor and Assignee desire to confirm of record and effectuate the assignment to Assignee all right, title and interest in and to the Trademarks together with the Goodwill and the Causes of Action.

NOW, THEREFORE, in consideration of the foregoing recitals, the agreements and covenants contained herein and in the Asset Purchase Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. Assignor hereby sells, assigns, transfers, and sets over to Assignee the entire right, title and interest in and to the Trademarks, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, the Goodwill and all other corresponding rights that are or may be secured under the laws of the United States, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all Causes of Action, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

2. Assignor shall take all further actions, and provide to Assignee, Assignee's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney or other documentation) requested by Assignee to more fully and effectively effectuate the purposes of this Assignment, including, without limitation, with respect to the following: (A) the preparation and prosecution of any application for registration, or any application for renewal of a registration, relating to any of the rights assigned herein; (B) the prosecution or defense of any opposition, infringement or other proceedings that may arise in connection with any of the rights assigned herein, including, without limitation, testifying as to any facts relating to the Trademarks and this Assignment; (C)

obtaining any additional trademarks protection relating to rights assigned herein that Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States or in any foreign country; and (D) in the implementation or perfection of this Assignment in all applicable jurisdictions throughout the world, in each case, all on the terms and subject to the conditions set forth in the Asset Purchase Agreement.

3. The Assignor hereby requests the Commissioner of Patents and Trademarks to record Assignee as the assignee and owner of the Trademarks.

4. Assignor hereby represents and warrants to Assignee that Assignor has not heretofore sold, transferred, assigned or encumbered any of its right, title or interest in the Trademarks, and that it has the authority to transfer and assign the Trademarks and associated goodwill and enter into this Assignment and perform its obligations hereunder.

5. Nothing contained in this Assignment shall be deemed to release either Assignor or Assignee in any way from any of their respective obligations under the Asset Purchase Agreement, or to supersede, enlarge on or modify any of the obligations, agreements, covenants, representations or warranties of either Assignor or Assignee contained in the Asset Purchase Agreement, all of which survive the execution and delivery of this Assignment as provided and subject to the limitations set forth in the Asset Purchase Agreement. If any conflict exists between the terms and provisions of this Assignment and the terms and provisions of the Asset Purchase Agreement, then the terms and provisions of the Asset Purchase Agreement shall govern and control.

6. This Assignment shall be governed, construed and enforced in accordance with the internal substantive laws of the State of South Carolina (without regard to the laws of conflict that might otherwise apply) and the United States as to all matters, including matters of validity, construction, effect, performance and remedies.

7. This Assignment may be executed in several counterparts (including by means of facsimile or electronic transmission in portable document format (PDF)), each of which shall be deemed an original and all of which shall constitute one and the same instrument, and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties; it being understood that all parties need not sign the same counterparts

IN WITNESS WHEREOF, the parties have caused this Assignment to be duly executed by their respective authorized officers effective as of the date first written above.
